

SUPER BASE SYSTEM

Scan the QR Code to get more info:

The Super Base System provides a cost-effective method for the continued expansion of your physical education, recreation and special activity programs. The system's design allows you to start small and expand as your program requirements and budget dollars dictate. To begin, all that's required is an initial investment in one or more Bases, Posts and Nets.

Its durable construction and portability makes the system ideal for use indoors or out. It's designed for traditional activities like tennis, badminton and volleyball, while providing for an ever growing number of sport time "Innovations." Each year you can look forward to the addition of one or more new "System" products requiring minimal additional investment.

Victor

School & Sports Club Supplies

WE SUPPLY AUSTRALIA'S LEADING CLUBS

“ Victor provides the Cronulla Sharks with sports products that allow the Sharks players to realise their performance potential. Victor’s products are state of the art, giving us confidence in the durability of their sports products to meet our players training and playing requirements. ”

Cronulla Sharks
Nathan Pickworth
(High Performance Manager)

“ It is with much enthusiasm that I am writing to recommend the services of Victor Sports, and Dave Goldman. I have only been using Victor for a few months & have always been completely satisfied with the performance. They do an excellent job, are always punctual and offer competitive rates. Victor not only have satisfied our strapping needs, but various Rugby League utilities I have reached out for, Dave & his team always deliver. ”

Windsor Wolves
Dean Jones (Rugby League Manager)
