

SOLO ACT 2022

39% Roussanne, 35% Marsanne, 26% Muscat blanc ·
Contra Costa County · 216 Cases

MARTHA'S NOTE

Solo Act 2022 returns the spotlight to a favorite co-ferment of Marsanne, Roussanne, and Muscat blanc from Cecchini & Cecchini Vineyard in Contra Costa County. When crafting our Post Flirtation White blend, these three varieties are co-fermented before blending with Colombard or Vermentino for balanced acidity. In 2020, intuition suggested that we put aside a few barrels worth of wine from the co-ferment prior to blending and provide the wine its own stage — a solo act! The 2022 wine continues this performance with an exotic citrus oil aroma and a generous and salty palate ready for pairing with food.

AT BOTTLING

(June 2023): 12% alc/vol · Free SO₂ < 2 mg/L,
Total SO₂ 39 mg/L · Less than 1 g/L sugar (dry) · All
wines are vegan

VINEYARD

Roussanne, Marsanne, and Muscat blanc from Cecchini & Cecchini Vineyard (formerly The Urban Edge Farm), Knightsen, Contra Costa County; farmed according to organic principles (no pesticides, herbicides, or synthetic fertilizers); sandy clay soils.

VINIFICATION

Marsanne, Roussanne, and Muscat blanc harvested together and briefly tumbled in the press for just a hint of skin contact before pressing, then fermented on full lees in stainless steel. The wine was then racked off lees to neutral oak barrique to continue aging for an additional 8 months before blending and bottling, and an additional 8 months in bottle before release. Unfined. Filtered for stability.

Martha Stoumen

All of our wines are fermented with native yeast and bacteria, are vegan, and have no additions beyond minimal effective sulfites for some wines, as listed.
