

RELEASED FALL/WINTER 2023

# ANOTHER SHORE 2021

67% Cabernet Sauvignon, 33% Valdiguié · 108 Cases  
Dry Farmed · California

## TASTING NOTE

A lithe body ripples over silky stones and wild blue mountain fruits. Another Shore weaves together two historic, dry-farmed, organic vineyards, separated by 250 miles and time-worn turns. Luxurious, but not opulent, this wine makes us sigh like a hiker finding a hidden alpine lake in the California backcountry.

## VINEYARD

Cabernet Sauvignon from Massa Vineyard (1,300' elevation), Carmel Valley; dry-farmed (non-irrigated), certified organic; gravelly sandy loam (Arroyo Seco series).

Valdiguié from Ricetti Vineyard, Redwood Valley, Mendocino County; planted in 1948; head-trained, dry-farmed (non-irrigated), certified organic vineyard; gravelly loam soils.

## VINIFICATION

Cabernet Sauvignon and Valdiguié harvested separately. Cabernet Sauvignon destemmed

(100%) and macerated on skins for 6 days using both manual punchdowns and pumpovers to gently extract tannin before basket-pressing. Valdiguié kept whole-cluster (stems intact), sealed in a small tank (semi-carbonic maceration), and then foot-tread and pressed after a 6 day total maceration period. Both Cabernet Sauvignon and Valdiguié were aged separately on fine lees in larger 500L neutral American and French oak puncheons for 16-months before blending and bottling. Unfined. Unfiltered. Sediment expected.

## MARTHA'S NOTE

The third bottling of our Cabernet Sauvignon-based Another Shore blend highlights Massa Vineyard, a new vineyard source for us (sadly, our Russian River Cab was torn out after the 2020 fires). Massa was once known as The Durney Vineyard, which was the very first vineyard planting in the Carmel Valley AVA in the late 1960s, and has been certified organic since the 1980s when this block of vines were planted. This stunning site sits at considerable elevation (1300') and just a few miles inland from the famous Monterey Bay. The tiny, tannin-driven Cabernet berries show the coastal, cool-climate influence through an unmistakable blue-fruited, lifted aroma that is unlike our other wines. We've blended-in old-vine Valdiguié from Ricetti Vineyard (Redwood Valley) for red-fruited mellowness on the palate, a blending approach not dissimilar from how Merlot might be classically joined with Cabernet Sauvignon.

## AT BOTTLING

(February 2023): 13% alc/vol · Free SO<sub>2</sub> 6 mg/L, Total SO<sub>2</sub> 27 mg/L · Less than 1 g/L sugar (dry)

*Martha Sloumen*

All of our wines are fermented with native yeast and bacteria, are vegan, and have no additions beyond minimal effective sulfites for some wines, as listed.
