

# Jack Herer Auto Chile - Lemon AK Auto

[CHECK OUT OUR STORE](#)

Jack Herer was bred with cannabis ruderalis in order to transfer autoflowering genes over to this strain. Jack Herer Autoflowering consists of 50 percent sativa genetics, 40 percent indica genetics and 10 percent ruderalis genetics. This fairly even mix results in the best of both worlds when it comes to the subspecies of the cannabis plant. Original Auto Jack Herer has a very savory-sweet flavor that expresses the full spectrum of floral and fruit terpenes. A mix of sweet, peppery, fruity, and spicy that enhance the very pleasant high. #marshydro #marshydroled #regenaroot  #cxhorticulture #aptus #cannabisculture #420 #microbelifehydro #massgrowers #masscannabis #activegrowled #teammlhydro #teammlhydro #terpinator  #cannabis #growroom #growtent #ledgrow #medicalmarijuana  #kindled

Jack Herer Auto is a psychoactive sativa dominant autoflowering cannabis seeds strain. In short, it produces good yields, is resistant to a range of plant diseases and has medicinal value. Original Jack Herer was created by crossing Northern Lights and Haze genetics. Jack Herer Auto is a feminised autoflowering release of the famous Jack Herer. It is the result of the combining of Jack Herer and Ruderalis genetics. The plant suits for cultivations outdoors, indoors and in greenhouses. It develops a strong structure and long branches. The height reaches to 80-100 cm.

Jack Herer Auto was produced by the addition of ruderalis genetics to the photo-period Jack Herer strain. It is a genetic blend of 50% sativa, 30% indica and 20% ruderalis. Jack Herer Auto has a germination-through-to-harvest time of a mere 9 weeks. With 18 hours of light per day indoors a very good crop of 700 gr/m<sup>2</sup> can be yours. #weed #stonergirl #weedlife #420 #thehighlife #cannabis

Auto Jack Herer can be grown closely together in a Sea of Green, and also be grown multiple times per  
years outdoors. She performs very well outdoors in colder weather, however, can achieve outstanding  
results in a hot climate. #bongs #weedmemes #weedlife #ottawa #canada #legalcannabis #smokeshop
