

VIAVITO[®]

Treadmill Owner's Manual.

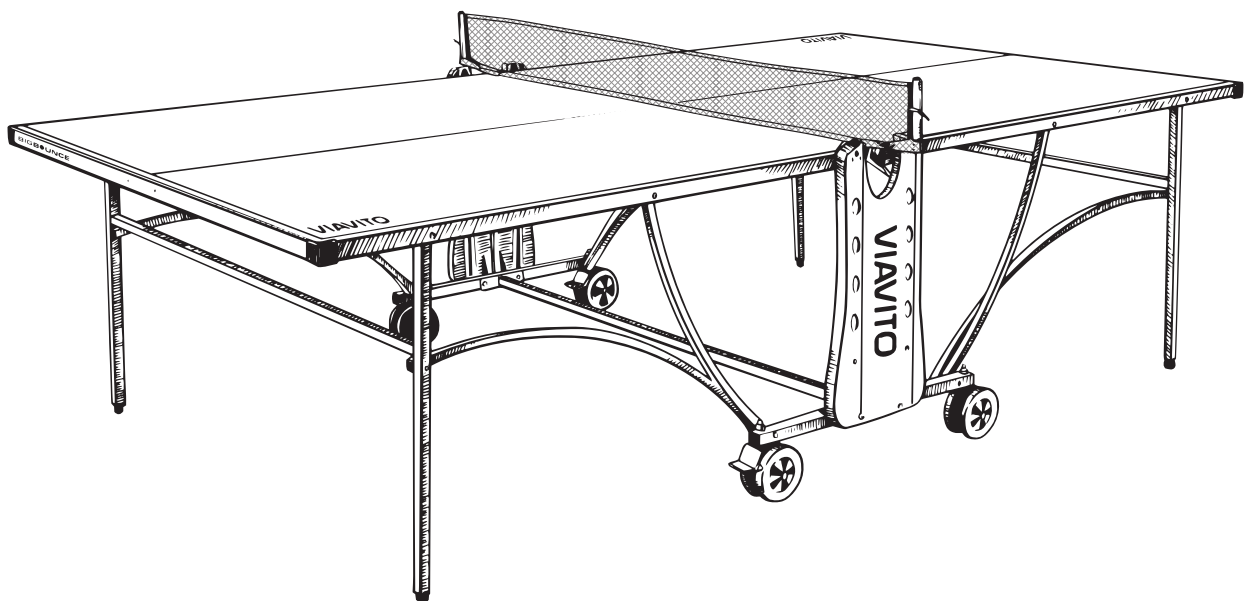

BigBounce

Table Tennis Table

www.viavito.com

OUTDOOR

Congratulations
on purchasing your
very own **Viavito**
BigBounce table
tennis table.

You have chosen a high-quality, safe and innovative product, and we are certain it will keep you entertained for hours.

Please take the time to read this owner's manual as it will help you to get the most out of your new piece of equipment.

For more information, or if you require any assistance please email us at **support@viavito.com**

All Viavito products are manufactured in accordance with the latest safety regulations. Our table tennis tables undergo series of quality control tests during the manufacturing process.

Safety Standards:

The table conforms to the following standard: EVS-EN 14468-1:2015 (Class D).

Safety Information

- Prior to assembly or use, please take the time to read this owner's manual carefully as it will help you to get the most out of your equipment.
- These instructions contain important information about the table tennis table and provide safe and correct assembly, use and maintenance.

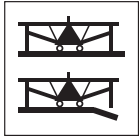

IMPORTANT SAFETY NOTICE:

- 01** Retain this manual for future reference.
- 02** Only use the table after it has been fully assembled.
- 03** Make sure you have enough space to layout the parts before installation.
- 04** The packaging needs to be disposed responsibly and carefully.
- 05** After assembly, remember to check if the safety systems are working properly.
- 06** Damaged or worn parts can limit the lifespan of the table and endanger your safety. Users must immediately report all defects or faults and replace worn or damaged components. The table should be removed from use until this has been done.
- 07** Check bolts, screws etc. regularly to make sure all parts are in a good condition.
- 08** Use only original spare parts for any necessary repairs.

Viavito assumes no responsibility for the personal injury or property, and/or damage sustained by or through the use of this product.

SAVE THESE INSTRUCTIONS.

Warnings

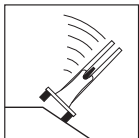

The table must be assembled by at least 2 adults on a clear, level surface.

The table tennis table should only be used for its intended use. All other uses are prohibited and can be dangerous. Do not sit or stand on the table.

Children shall not play unsupervised on or near the table in the storage position.

Take the necessary precautions when moving the table tennis table on uneven or sloping surface as it may cause the table to tip over, damage it or lead to injury.

Please beware that leaving the table in a closed position under windy conditions may cause the table to tip over, damage it or lead to injury.

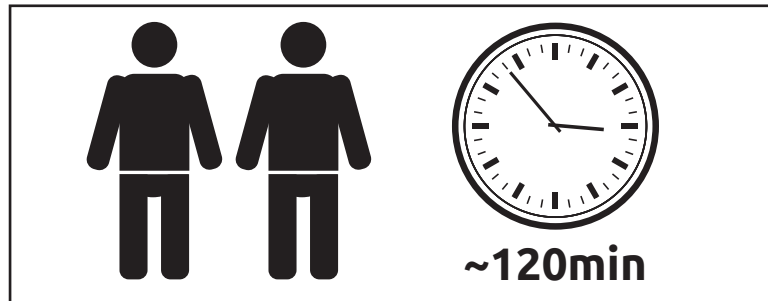

To provide additional safety for children and increase the lifespan of the table, it is recommended to use a protective cover.

Assembly, positioning and moving the table around must be carried out by an adult or under the direct supervision of an adult person. Children cannot be left unattended around the table.

Assembly Instructions

Before you Begin

Before commencing assembly, please check all the parts according to the Parts List on page 15 and make sure that all are present and correct.

Please follow the alphabetical order (ABC references) of the assembly instructions.

To identify all the part marks, check the Contents Checklist on page 6 and the Parts List on page 15.

Note: The table has adjustable leg levelers to ensure a flat playing surface on uneven ground.

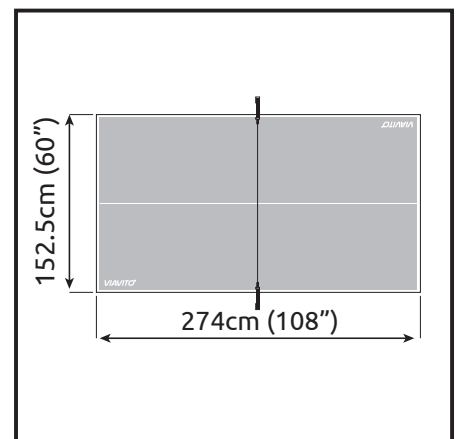

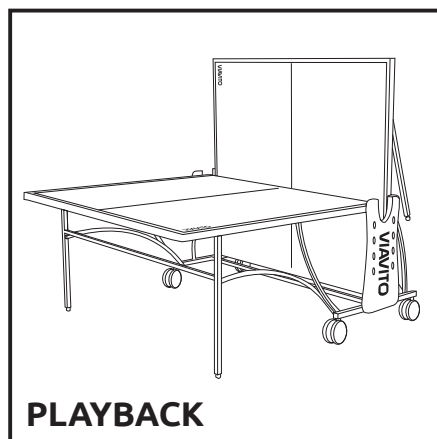

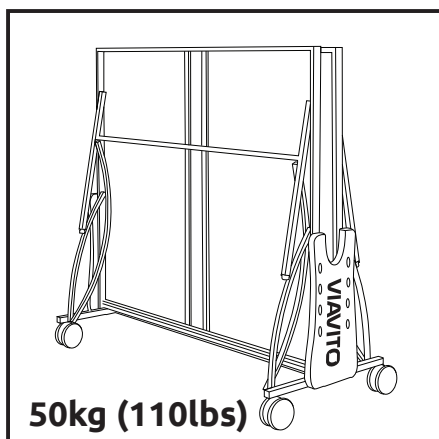

Please use the tools recommended for each assembly stage.

13 Part mark

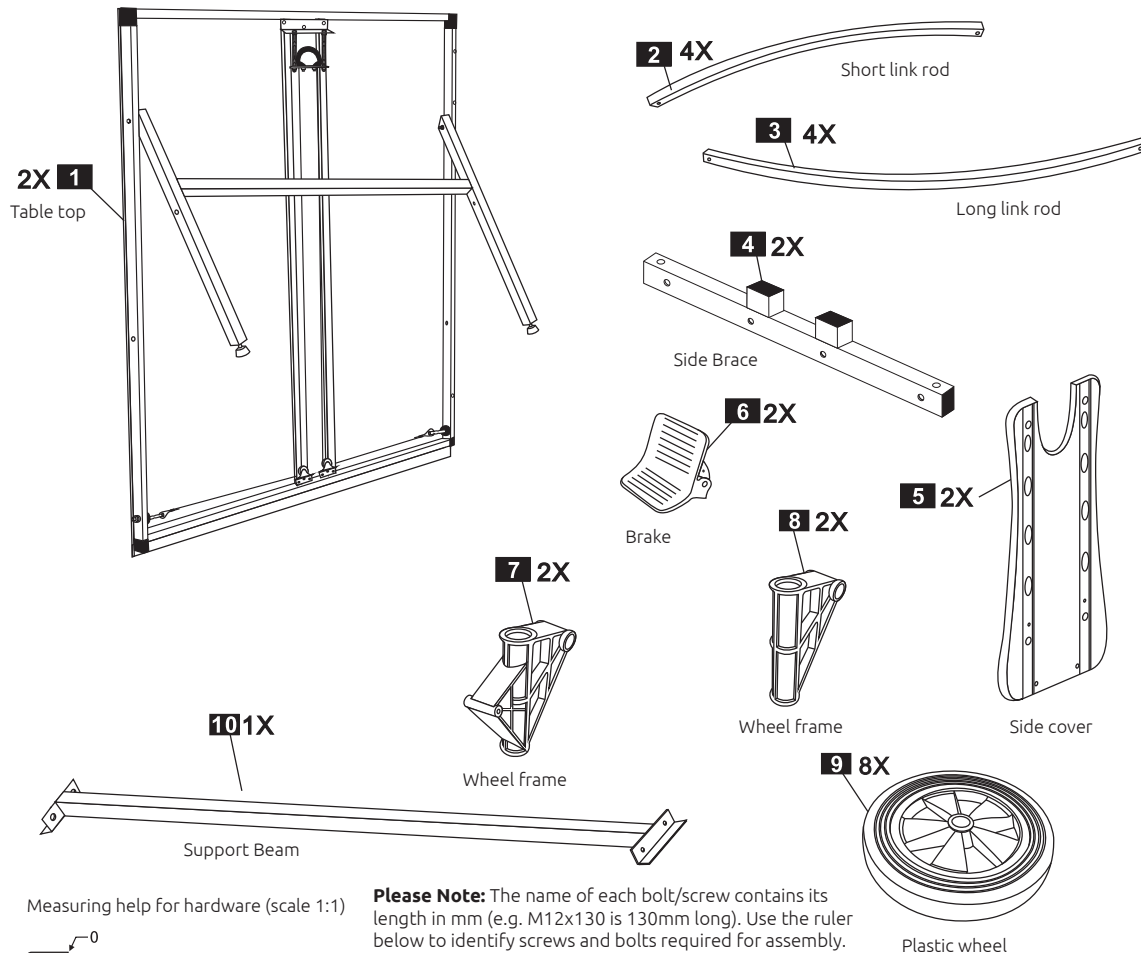

Tool

Caution: Any defects and faults in the safety systems should be reported. Immediately replace faulty parts and do not use the table until it has been fully repaired.

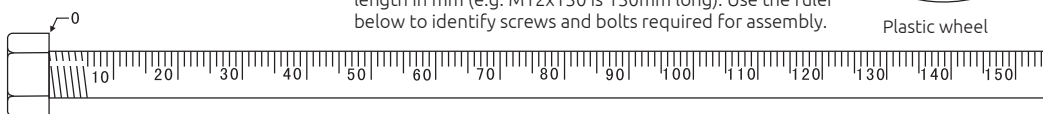

Contents Checklist

Make sure you have the following parts:

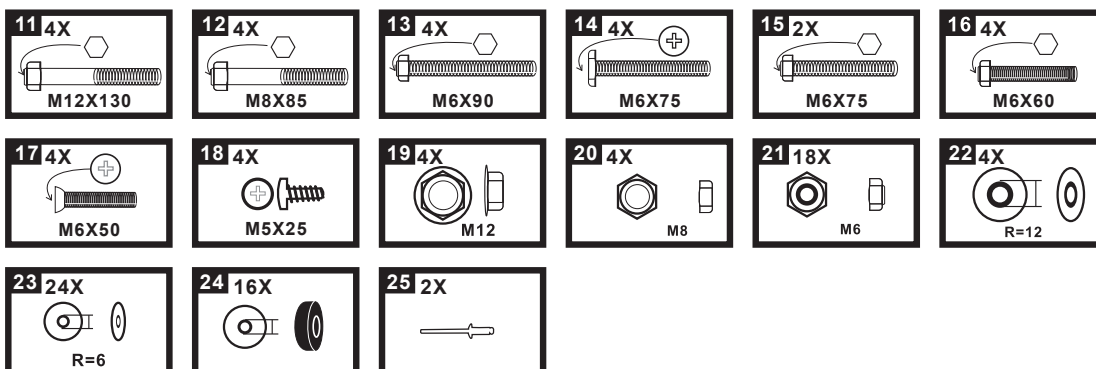

Measuring help for hardware (scale 1:1)

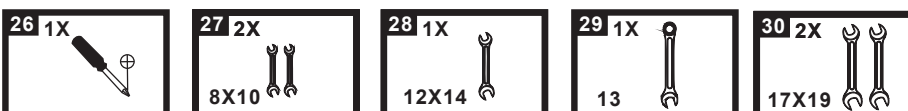

Please Note: The name of each bolt/screw contains its length in mm (e.g. M12x130 is 130mm long). Use the ruler below to identify screws and bolts required for assembly.

Hardware

Tools required for assembly (included)

Assembly

Step A

	27 2X 8X10 	28 1X 12X14 	29 1X 13 	30 2X 17X19 
---	--	---	--	---

A1 A1 Insert the M8X85 bolt (12) into the wheel (9), through the wheel frame (8) and another wheel (9). Then, use the 12x14 wrench (28) and the 13 wrench (29) together to secure with the M8 nut (20).

Attach the wheel frame (8) to the side brace (4) using the M12x130 bolt (11), and use the 17x19 wrench (30) to secure with the R=12 washer (22) and the M12 nut (19).

A2 Do not fully tighten the M12 nut (19) under the side brace (4) to let the wheel frame (8) rotate smoothly.

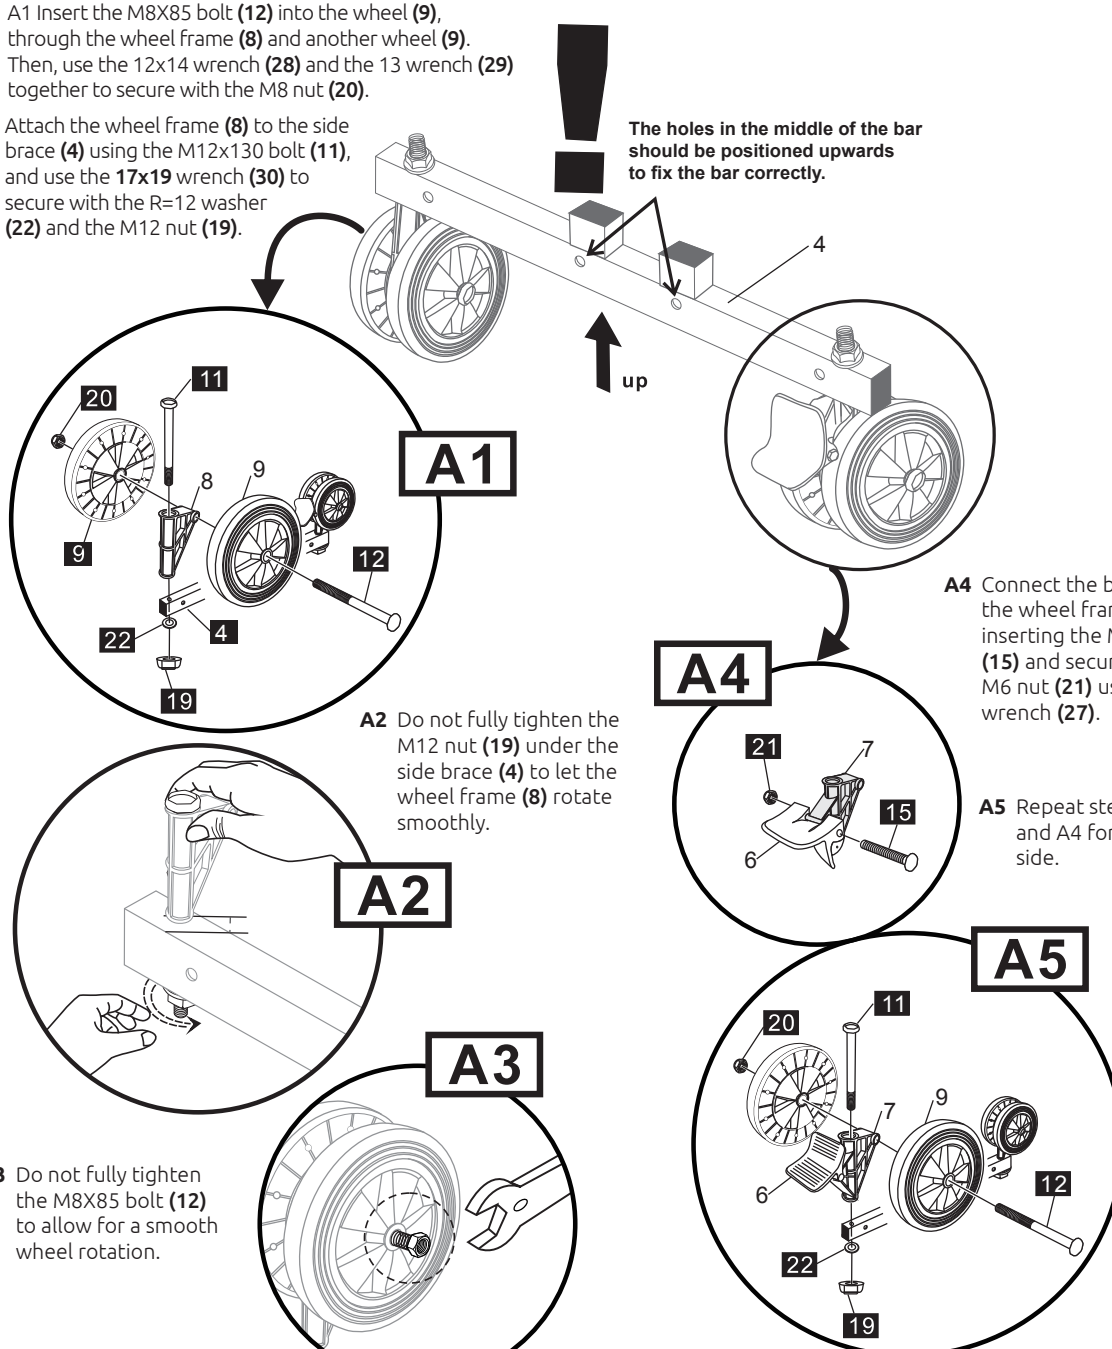

A3 Do not fully tighten the M8X85 bolt (12) to allow for a smooth wheel rotation.

A4 Connect the brake (6) with the wheel frame (7) by inserting the M6X75 bolt (15) and secure it with the M6 nut (21) using the 8x10 wrench (27).

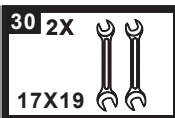

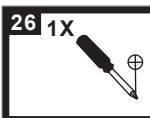

A5 Repeat steps A1 and A4 for the other side.

The holes in the middle of the bar should be positioned upwards to fix the bar correctly.

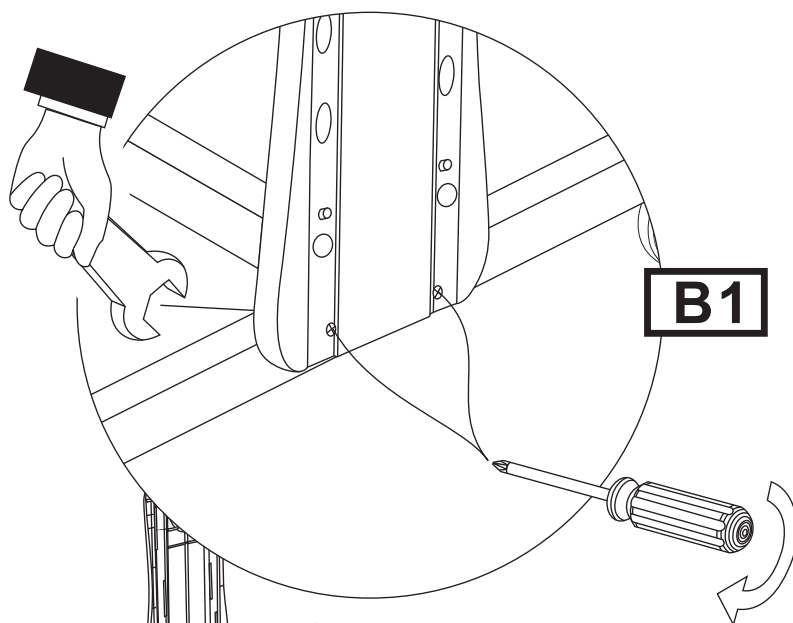

up

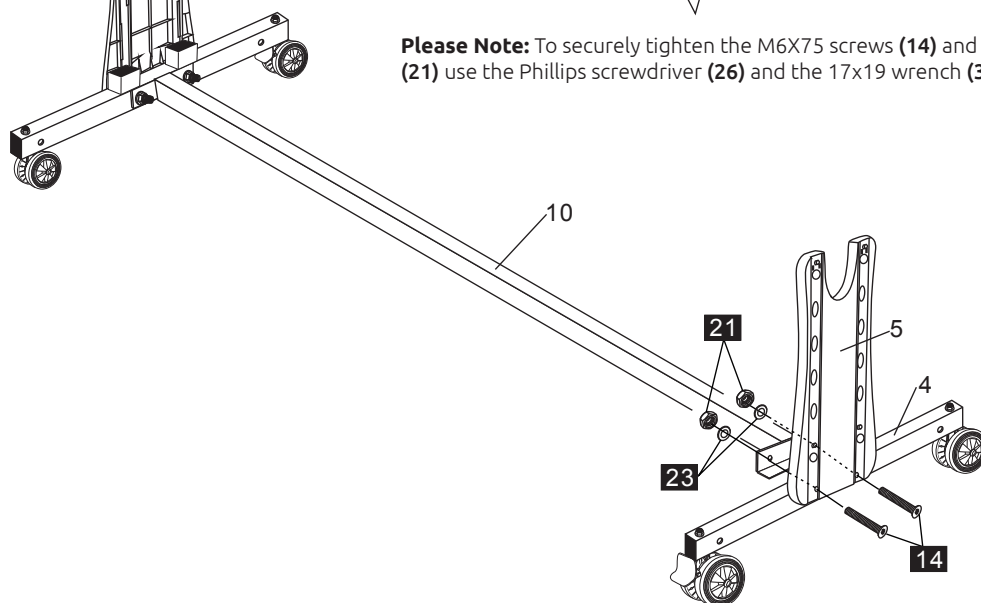

Step B

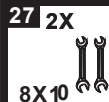

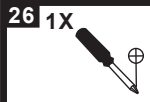

B1 Use two M6X75 screws (14) to attach the side cover (5) to the side brace (4) and the support beam (10). Secure with two R=6 washers (23) and two M6 nuts (21) using the Phillips screwdriver (26) and the 17x19 wrench (30).

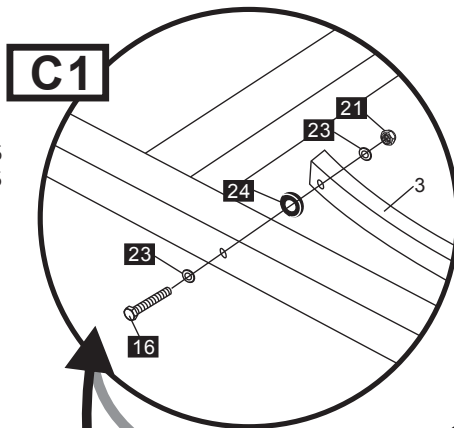

Please Note: To securely tighten the M6X75 screws (14) and the M6 nuts (21) use the Phillips screwdriver (26) and the 17x19 wrench (30) together.

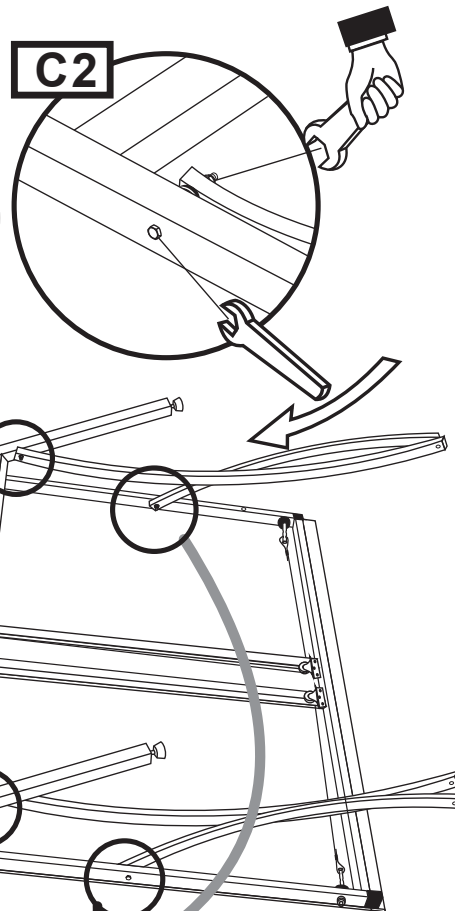

Step C

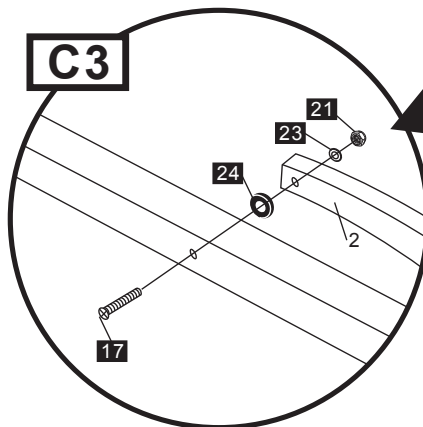

C1 Insert M6X60 bolt (16) through the R=6 washer (23), undercarriage, and the rubber washer (24), and then through the long link rod (3) and the R=6 washer (23). Secure with the M6 nut (21) using the 8X10 wrench (27). Repeat for the other side.

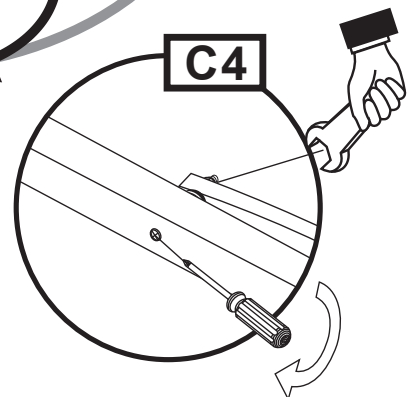

C2 To securely tighten the M6X60 bolt (16) and the M6 nut (21) use two 8X10 wrenches (27) simultaneously.

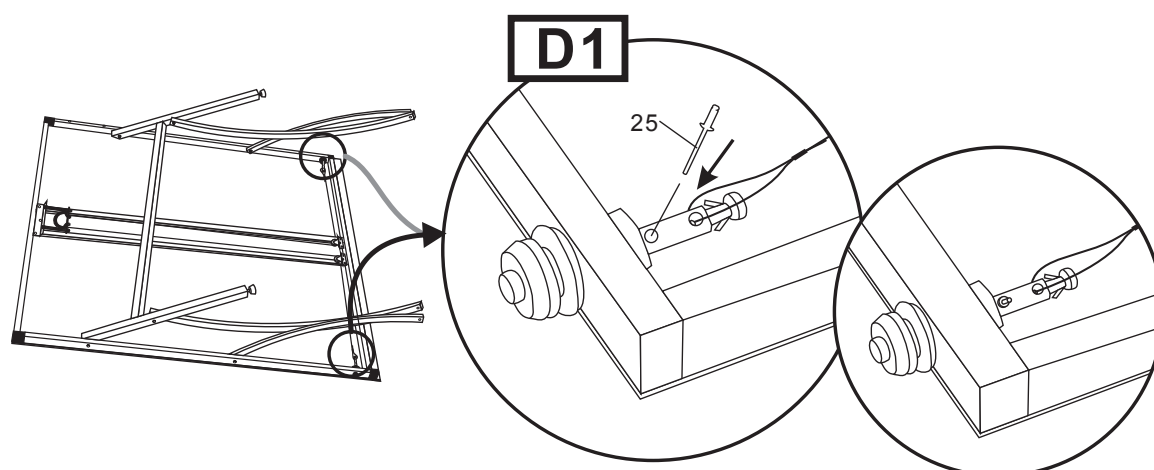

C3 Insert M6X50 screw (17) through the table frame and the rubber washer (24), and then through the short link rod (2) and the R=6 washer (23). Secure with the M6 nut (21) using the Phillips screwdriver (26) and the 8X10 wrench (27). Repeat for the other side.

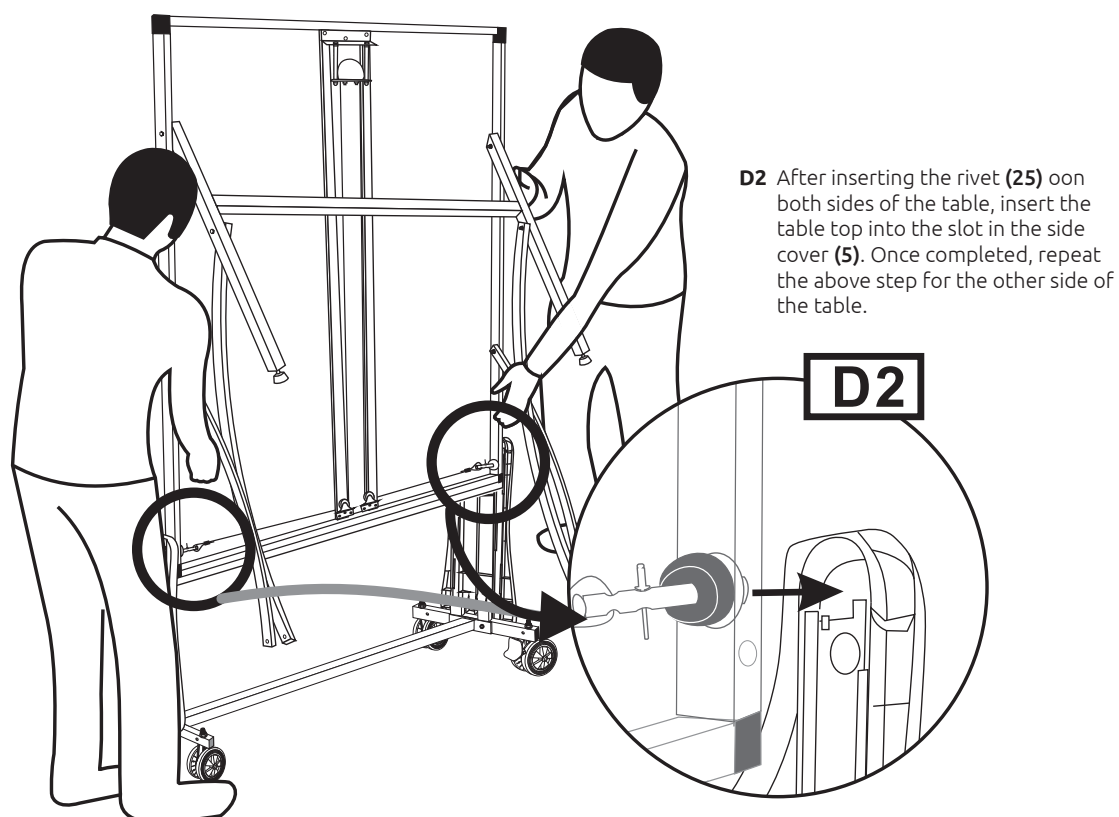

C4 To securely tighten the M6X50 screw (17) and the M6 nut (21) use the Phillips screwdriver (26) and the 8X10 wrench (27) simultaneously.

Step D

D1 Pull the lock pin until you can see two lock pin holes (drawing D1) and insert the rivet (25) into the hole closest to the table frame.

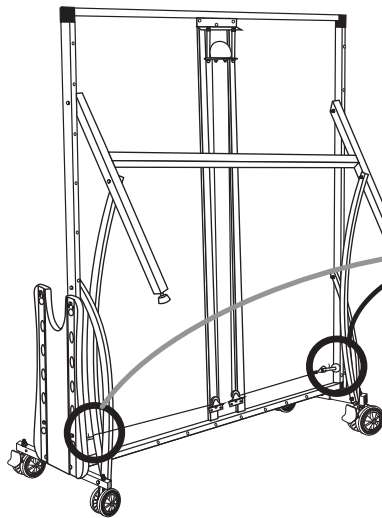

D2 After inserting the rivet (25) on both sides of the table, insert the table top into the slot in the side cover (5). Once completed, repeat the above step for the other side of the table.

Step E

27 2X

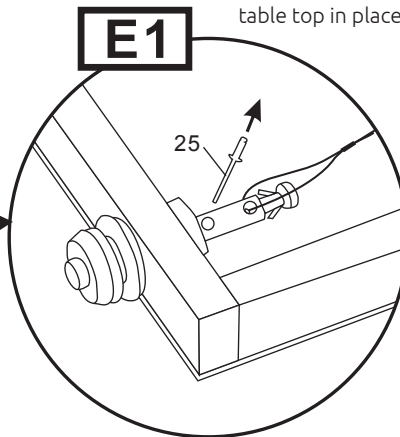

8X10

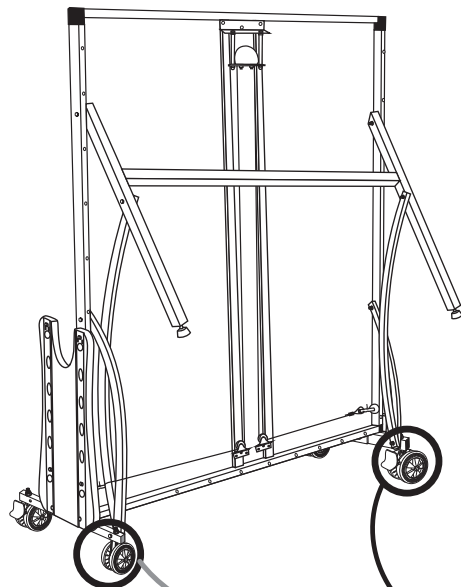

E1 After inserting the table top into the slot in the side cover (5) on each side of the table, please remove the rivet (25). To securely lock the table top in place, repeat for the other side.

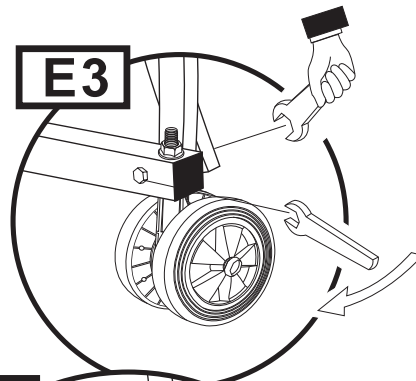

E1

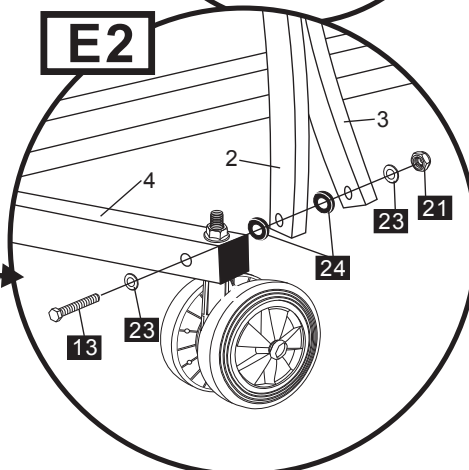

E3 To securely tighten the M6X90 bolt (13) and the M6 nut (21), use 8X10 wrenches (27) simultaneously.

E3

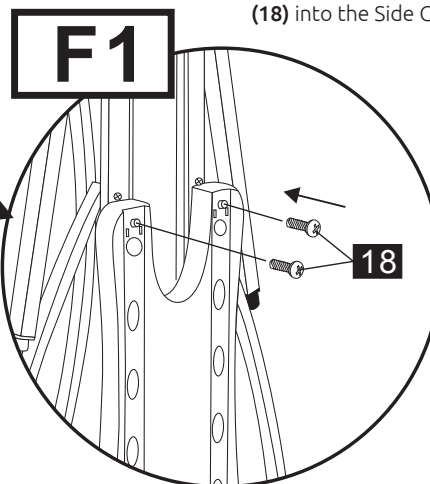

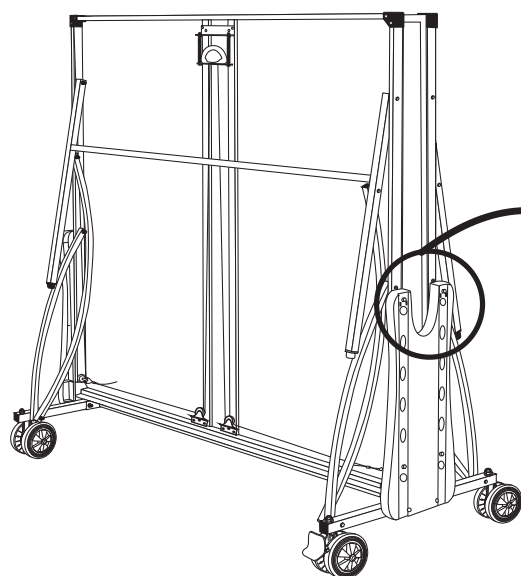

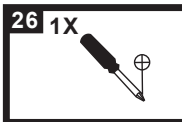

E2

E2 Insert the M6X90 bolt (13) through the R=6 washer (23), side brace (4) and the rubber washer (24), and then through the short link rod (2), second rubber washer (24), long link rod (3) and the R=6 washer. Next, use the 8X10 wrench (27) to secure with the M6 nut (21). Repeat for the other side of the table.

Step F

F1 Tighten two M5X25 screws (18) into the Side Cover (5).

Please remember to get familiar with Safety Information and Precautions (see page 3 and 4) and test functionality immediately after completing the assembly.

Folding and Unfolding

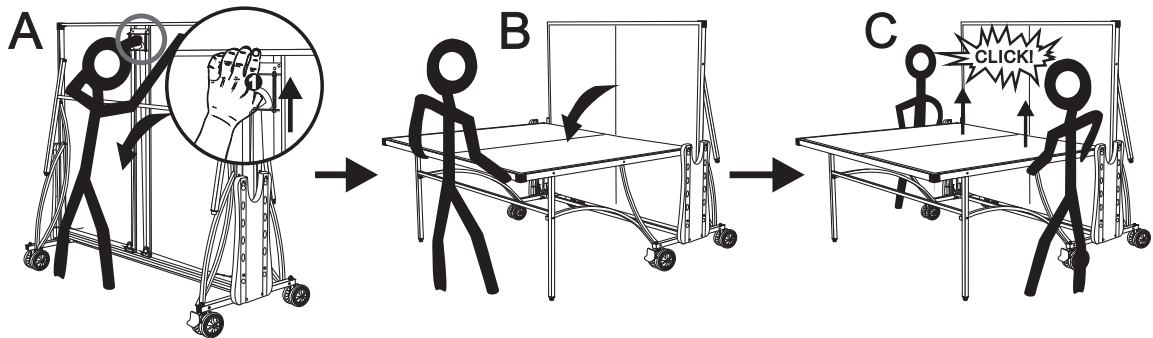

Unfolding the table

A) Lift the handle to unlock the table top. Hold the handle in position while the table top is being lowered.

B) Lower the table top until you reach the playing position. Do not let the table fall as this might damage your table or cause injury.

C) Make sure the table is locked in place by lifting the table top from both sides of the net. For solo practice, the table halves can be folded up singly.

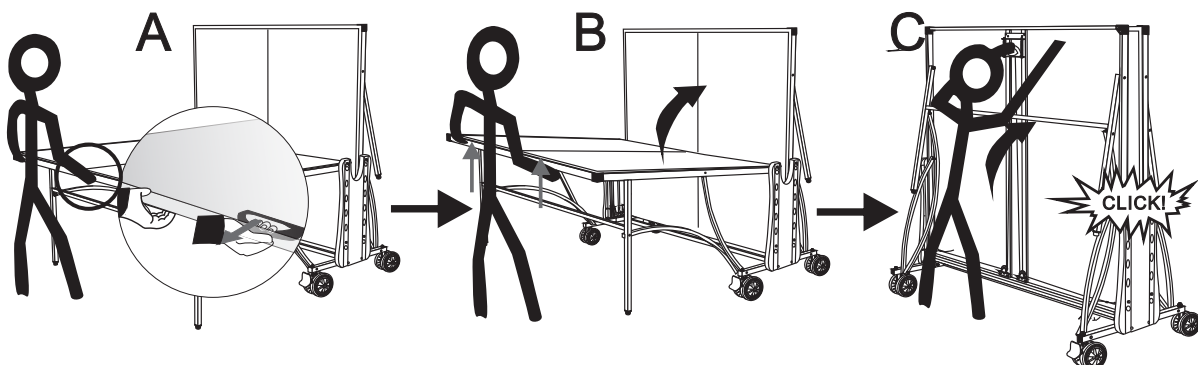

Folding the table

A) Unlock the table top by pulling the handle. Remember to hold the handle until the table top is in a correct position.

B) Lift the table top up to its storage position.

C) For added safety, make sure that the table top is properly locked.

Customer Support

Contact Information

Should you require any assistance regarding this product please gather the following information and then contact us using the details below:

- Batch No. - This can be found on a label on the product itself
- Original purchase date
- Place of purchase
- Information about the place and conditions of use
- Precise description of the issue or defect.

IMPORTANT! Please retain your sales receipt. Viavito Customer Care may request proof of purchase to validate eligibility for warranty service. Warranty cover starts from the date shown on the proof of purchase.

The best way to contact us is via the website: **www.viavito.com**

Manufacturer's Warranty

Viavito warrants this product to be free of defects of material and workmanship, under normal use and conditions, for a period of 12 months from the date of the original purchase.

Warranty extensions may apply to this product subject to registering this product with Viavito. To qualify for this, please complete the warranty registration form on the Viavito website at **www.viavito.com**. Full details of warranty extensions and the Viavito Manufacturer's Warranty are available online at **www.viavito.com**

Terms

This warranty extends only to the original purchaser and is not transferable.

The warranty does not cover:

- 01** Normal wear and tear
- 02** Any changes to upgrade this product from its normal state or use other than as described in the user manual
- 03** Damage resulting from:
 - a) Transport
 - b) Abuse, misuse, failure to follow instructions or improper or abnormal use
 - c) Non-home use - including commercial, professional, or rental purposes
 - d) Repairs not provided by Viavito
 - e) Accidents, lightning, water, fire, or any other causes beyond the control of Viavito
 - f) Improper location including, but not limited to, humid, dusty, or outdoor environments.

www.viavito.com

Viavito is not responsible or liable for direct, indirect, or consequential losses arising out of or in connection with the use of this product or damages with respect to any loss of property, revenue, profits, enjoyment or use, nor for any costs of removal or installation of this product.

This warranty covers products purchased as new inside the United Kingdom.

In the event of the table requiring a repair, this may need to be performed at a Viavito authorised repair centre.

This warranty is an addition and does not in any way affect your statutory rights.
