Operation and Warranty

Operation:

Key1:Point-press-Defog-Switch on/off

Key2:Point-press-LED on/off

Key3:Point-press-colour temperature adjusting

Key1

Key2

Key3

1. When the button is pressed to open, it turns blue, and when it's pressed to close, it turns white.
2. To adjust the brightness, simply touch and hold the light switch.
3. Both switches also have a memory function, so the next time you open the mirror, it will be in the same state as when it was last closed.

Warranty:

All shipments are carefully inspected and counted before leaving our distribution centers. Please inspect carefully on receipt of merchandise, noting any discrepancy or damage on the carrier's freight bill at that time.

We offer a 1-year Limited warranty on our mirror products.

Defective products should be returned to place of purchase for replacement. Returns will be handled by product replacement. Defects or damage caused to product by the consumer are not accepted.
