Dianabol is not only potent but also has a long half-life. Respetemos siempre su opinion, muchas veces puede aportar valor a su tratamiento. Ademas burlarse de la opinion de la gente no suma, hay que aportar desde la experiencia academica, pero la experiencia del paciente es valiosisima y de ahi es de donde mas aprendemos. Dianabol is not expensive provided you are getting what you are paying for. On average, the cost for 500 tablets (10mg) is about \$200.
