CAKE TASTING PLATES (\$25): Includes twelve (12) of our standard wedding cake flavors. The plate is made with 2 (3 max) people in mind. Available for pick up from our Watsonville or Monterey locations.

The cake tasting plate offers a good flavor profile of our cupcakes. The main difference is the texture of cupcakes have more of a "bite" vs the samples you're tasting as we combine the filling flavor and buttercream icing of the cake into one frosting on a cupcake.

DESSERT SAMPLES (\$10): Includes Lemon Cream Puff, Fresh Fruit Tartlet with Bavarian Cream, Snickerdoodle Blondies, Classic Chocolate Brownies, and Fresh Berries. Must order with Cake Tasting Plate. Available for pick up from our Watsonville location only.

These flavors are our most popular choices and for you try the items' texture and see the actual dessert serving. The cake sample fillings will give you an idea of other available flavors. Fresh berries are provided for you to try with cake fillings. This allows you to get a good idea of the shooter flavors.

Tasting charges are credited toward final wedding orders.
