Color Reference Chart Correction Page

Note: This is a color reference page that includes the Island Batik "Snow Berry" collection SKU numbers. In the first versions of this pattern, fabric colors had different names on both the back cover and inside of the pattern, please see the chart below to find the correct fabric color names. Also, note that the yardage chart numbers in the Island Batik Catalog are taken away before final testing is complete. The below yardage numbers are the correct numbers and have been tested thoroughly.

Color	SKU	Yardage
