

BLOCK PARTY BLOCK #19 Shooting Star

Designed for the Studio 180 Designs

~Corner Beam® ~Square Squared®
~ Corner Pop®

Created By: Tina Dillard

This block allows you to have a play with colors. Bringing out the shadows and the dimensions of each of the elements. The shadow circle made up of Corner Beams and squares that are popped in one corner. The Corner Beams side triangles make up the star points. The Square Squared units tie the units together. These blocks are fun to play with colors to make some dimensions really pop.

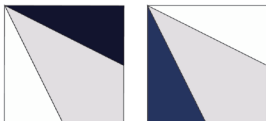

Using the blocks cutting chart below, determine the size you wish to make. Refer to the Corner Beam®, Square Squared®, Corner Pop® tool instructions. It is recommended that you press the seams open when constructing the block.

When your units are complete, assembly your block carefully. Making the inside block first and then adding the outside units. Pressing all you seams open is highly recommend when assembling the block.

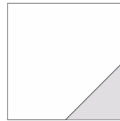

If you don't have the Studio 180 Design tools, please visit your local quilt shop or order them directly from www.quiltingaffection.com or Studio180Design.net.
