

# BLOCK PARTY BLOCK #31 So Bright Star!

Designed for the Studio 180 Designs

~ Wing Clipper® ~ Tucker Trimmer® ~ Square Squared® ~ V Block®  
~ Corner Pop® ~ Geese on the Edge Technique Sheet

Created By: Tina Dillard

Adding Bright Star to your block collection will bring a little bit of Christmas to your home. Using the Geese on the Edge Technique Sheet, you will create your corner units in this block. This technique uses the same starting point and log sizes for whatever size you are making. With that unit added to the Popped V Block, the peak of color will appear in front of the star. Regardless of the size of the block, you will get a different look.

Using the blocks cutting chart below, determine the size you wish to make. Refer to the V Block®, and Square Squared® tool instructions. You will also need the Geese on the Edge Technique Sheet.

If you don't have the Studio 180 Design tools, please visit your local quilt shop or order them directly from [www.quiltingaffection.com](http://www.quiltingaffection.com) or [Studio180Design.net](http://Studio180Design.net).

9" Block

12" Block

18" Block
