L-Carnitina e um aminoacido que ajuda na conversao de gordura em energia disponivel para o organismo, colaborando para a perda de peso. A suplementacao com L-Carnitina acelera o processo de queima de gorduras durante a atividade fisica. Testosteron Depot 250mg (testosterone enanthate) 1ml 10amps, EifelFango Testosterone Enanthate Overview and History. Testosterone Enanthate is one of the many esterified variants of Testosterone available. It is an injectable compound with a slow rate of release due to the larger Enanthate ester attached to the Testosterone molecule. It's weak androgenic properties make it conducive for women to take it. Side affects may include hair loss, virilization, and increased blood pressure [find more info](#)
