MEAT.MADE FROM PLANTS.

+ + + *For the kitchen*

We know the stereotype... crumbly tofu, tasteless tempeh, vegan proteins that completely disappear in a dish; we get why some chefs think, "vegan food sucks!" We're here to give you a plant-based meat that can truly be used like meat. No Evil Foods' Plant Meats have always been made with high-quality, recognizable ingredients that can take the heat in the kitchen. Chop, slice, marinate, or sauté to create vegan dishes you're truly proud to serve. Our feisty 'chorizo', crazy-versatile 'chicken', and flavorful 'Italian sausage' will elevate and exceed any plant-based eating experience your diners have had before.

Let's get cookin'.
