Santa Lucia

Svart senker natten seg i **stall** og **stue**.

Solen har gått sin vei, **skyggene** truer.

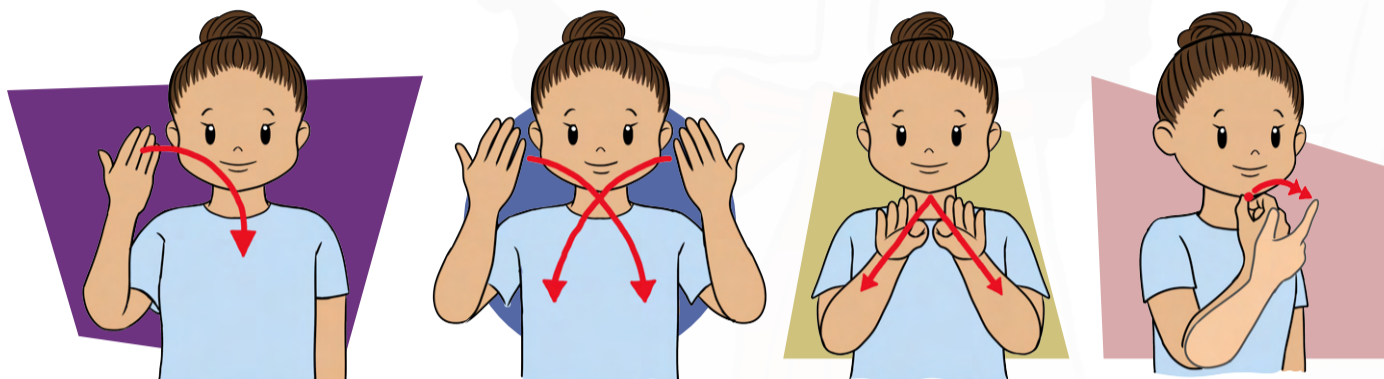

Inn i vårt mørke **hus** stiger med tente **lys**:

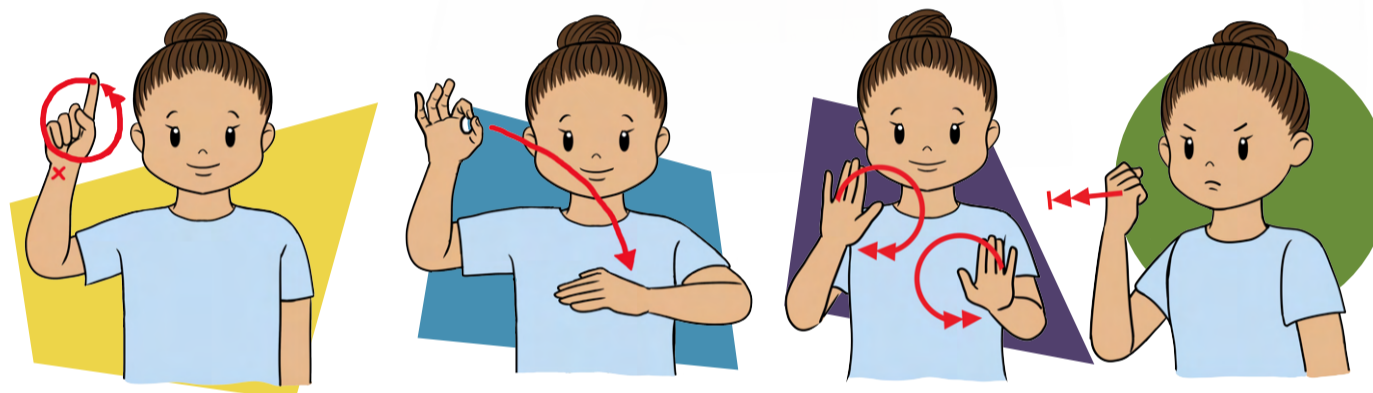

Santa **Lucia**, Santa **Lucia**

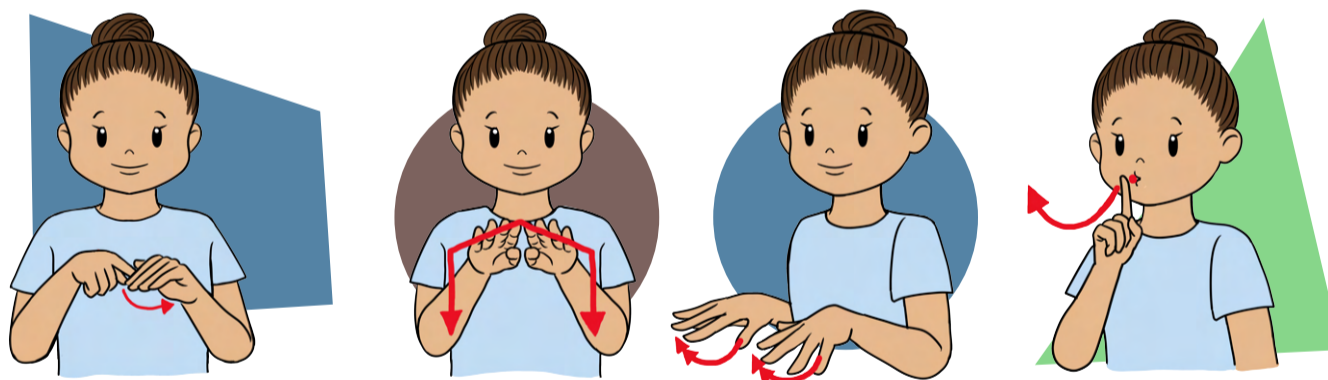

Santa Lucia

Svart senker natten seg i stall og stue.

Solen har gått sin vei, skyggene truer.

Inn i vårt mørke hus stiger med tente lys:

Santa Lucia, Santa Lucia
