KEY INGREDIENTS

Cold Pressed Certified Organic Argan Oil Argan Oil – (Argania Spinosa Kernel Oil) is obtained from the fruit kernel of the Argan Tree. Rich in Vitamin E, antioxidants, omega-6 and omega-9 essential fatty acids all of which assist in keeping skin nourished and hydrated

Coconut oil - is linked to some potential benefits for skin, including reducing inflammation, keeping skin moisturized and helping heal wounds. The medium-chain fatty acids found in coconut oil also possess antimicrobial properties that can help treat acne and protect the skin from harmful bacteria

Rice Bran Oil - the main benefit of rice bran oil to the skin is its wonderful deep-moisturizing capability. This is due to its combination of vitamin E and fatty acids, which go deep into skin to hydrate. ... Rice bran oil is light and penetrates easily, so it's not likely to increase the oiliness of your skin.

Sunflower Oil - When it comes to skincare today, sunflower seed oil is a great source of vitamin E, rich in nutrients and antioxidants, and is effective for combatting skincare issues like acne, inflammation, general redness and irritation of the skin. Sunflower oil has emollient properties that help the skin retain its moisture

Castor Oil - Castor oil is rich in ricinoleic acid, a monounsaturated fatty acid. These types of fats act as humectants and can be used to moisturize the skin. The fatty acids in castor oil can also promote the growth of healthy skin tissue, making it helpful in restoring uneven skin tones
