### KEY INGREDIENTS

**COLD PRESSED CERTIFIED ORGANIC ARGAN OIL** - One of the rarest oils in the world due to the small and very specific growing areas with its long list of beauty benefits. Rich in Vitamins, Antioxidants, Omega-6 and Omega-9 Essential Fatty Acids, it delivers moisture and hydration to nourish both your scalp and hair promoting stronger, softer and shinier hair.

**POLY-CARE SPLIT THERAPY** - A Natural Active Ingredient that instantly gets to work repairing, strengthening and sealing your split ends to protect from further damage caused by heat, styling, colouring etc.

**PENTAVITIN®** - Often forgotten about, our scalp is the bedrock for hair follicle growth and therefore extremely important. Pentavitin is a Natural Active Ingredient that helps to lay healthy foundations allowing hair to grow and prosper. Expect moisture, hydration and hair that feels luxuriously sleek and smooth.

**HYDROLYZED WHEAT PROTEIN** - Anti-irritant and protective properties give hair a softer smoother feel. Its film forming benefits help maintain an optimum moisture balance in the scalp and hair
