FAQS

SHOULD I USE THIS CONDITIONER WITH EVERY WASH? Yes, we recommend using a conditioner with every wash as a conditioner smooths and closes the hair cuticle, locking in moisture and nutrients

SHOULD I APPLY TO MY ROOTS? A conditioner to your roots would normally leave your hair flat and lacking any bounce. However, this is not the case with the Damage Repair range. This will enhance your root colour

HOW LONG SHOULD I LEAVE THE CONDITIONER ON MY HAIR TO SEE RESULTS? If its intense colour you are requiring then leave on for as long as you can. However, we suggest a strand test is performed first as every hair type and condition can vary, therefore the results. Suggested time 5-10mins
