KEY INGREDIENTS

COLD PRESSED CERTIFIED ORGANIC ARGAN OIL - One of the rarest oils in the world due to the small and very specific growing areas with its long list of beauty benefits. Rich in Vitamins, Antioxidants, Omega-6 and Omega-9 Essential Fatty Acids, it delivers moisture and hydration to nourish both your scalp and hair promoting stronger, softer and shinier hair.

POLYKARE SPLIT THERAPY - A Natural Active Ingredient that instantly gets to work repairing, strengthening and sealing your split ends to protect from further damage caused by heat, styling, colouring etc.

PENTAVITIN® - Often forgotten about, our scalp is the bedrock for hair follicle growth and therefore extremely important. Pentavitin is a Natural Active Ingredient that helps to lay healthy foundations allowing hair to grow and prosper. Expect moisture, hydration and hair that feels luxuriously sleek and smooth.

MACADAMIA NUT OIL – (Macadamia Ternifolia Seed Oil) is obtained from the nuts of the bushnut and assist with skin and hair conditioning

ALOE VERA - provides a protective barrier that helps keep moisture locked in. It's cooling effects reduce acne inflammation and assist in healing, removing redness and soothing dry or angry skin. It does this as it contains antioxidants, enzymes, Vitamins A and C, and it is highly anti-inflammatory.
