5 REASONS TO USE VEGAN SYNTHETIC MAKE-UP BRUSHES

1. Synthetic brushes are better suited for people with sensitive skin as some people are allergic to animal hair
2. Synthetic brushes are a great option for people who are vegan friendly as no animal hair is used
3. Synthetic brushes are great for creating a layered look and help to provide a soft looking make-up finish
4. Synthetic brushes are easy to keep clean as they do not absorb and trap make-up like natural brushes may do
5. High quality nylon hair feels irresistibly soft

FOUNDATION ME BRUSH (VEGAN) - SILKFERNFMB

Achieving a flawless base is easy with the Foundation Me Brush. Start by using your favourite moisturiser and primer, once absorbed use this perfectly rounded shaped brush to apply your liquid or cream foundation in stippling / patting motions. Start in the centre of your face and work outwards for your desired coverage. To build in areas use the same stippling patting technique.

Hair Length: 30mm

Ferrule Length: 50mm

Handle Length: 100mm

Handle Diameter: 18mm

POWDER ME BRUSH (VEGAN) - SILKFERNPMB

This large fluffy brush can be used with any pressed or loose powder you have. With the slightly rounded head this brush is designed to dust powder only where needed. Dip the brush tip into a small amount of powder then tap away excess product before applying to your face. Buff or tap powder in your hot spot areas (generally your TZONE) and work outwards

Hair Length: 42mm
