IRON

**STEP 1:** Wash your hair thoroughly using the Silk Argan Intense Moisture Shampoo & Conditioner.

**STEP 2:** While wet, comb through hair and spray hair from roots to ends with the Silk Leave-in Conditioning Spray.

**STEP 3:** Blow-dry your hair.

**STEP 4:** Apply a small amount of the Argan Hair & Skin Treatment from mid lengths to ends for added hydration.

**STEP 5:** Spray hair generously with Silk Thermal Protection & Shine Spray, then straighten thoroughly.

**STEP 6:** When hair is dead straight, apply a little bit more of the Argan Hair & Skin Treatment.

**STEP 7:** Brush hair using the Argan Infused Paddle Brush, into a tight ponytail at the top of the head, and attempt to have the hair as smooth as possible. Fasten with a hairband.

**STEP 8:** Pull a small section of hair from the bottom

of the ponytail and wrap this around the base of the ponytail, ensuring to cover the hairband and pin in place.

**STEP 9:** Brush ponytail to remove any knots and to smooth out, then apply a small amount of Hair & Skin Treatment for hydration and shine.

**STEP 10:** Take a small amount of the Argan Anti-frizz Cream and smooth out the ponytail and head to slick down any fly-aways and assist with hold.
