STEP 1: PRIME - Starting with a freshly cleaned face apply the Silk Argan Antioxidant Primer all over the face with your fingers, massaging it into the skin.

STEP 2: FOUNDATION - Choosing one of our 5 shades (we have used colour Cream) apply the Silk Argan Cream Compact Mineral Foundation all over the face using the Silk Nude Blending Sponge

STEP 3: CONCEAL - Using the Silk Vegan Concealer Brush cover any imperfections with one of the three shades in the Silk Argan Cream Concealer range. You need to apply a shade that is the closest shade to your skin tone. We have used the colour Medium for this look

STEP 4: BRONZE & CONTOUR - Next accentuate the natural contours of the face using the Silk Argan Mineral Contour & Highlight Kit, focusing on the outside of the face, starting with the forehead down into the cheekbones and around the jaw line. Use the Silk Vegan Powder angled contour Brush. We have used the shade 'Taupe'

STEP 5: BLUSH - Using the Silk Sunkissed Blush, Bronze & Glow Palette apply the 'Rainbow Peach' to the apples of the cheeks using a dabbing motion and blending it in nicely using a soft sweeping motion to avoid any harsh lines.

STEP 6: HIGHLIGHT - Then using the same Sunkissed Blush, Bronze & Glow Palette subtly highlight the face. Lightly dust the shade 'Pick me up' on the top of your cheeks, brow bone or where ever you need a glimpse of highlight!

The best brush to use is the Silk Vegan Large Fan Brush for above the Cheeks and the Silk Vegan Small Fan Brush for your brow bones

STEP 7: GLOW - Then again using the same Sunkissed Blush, Bronze & Glow Palette use the Colour 'Bronze' and lightly dust over your entire face for a natural Sunkissed glow.

STEP 8: BROWS - To Enhance, thicken & define your brows Apply the Silk Fibre Brow Enhancer in shade

'Medium' if you need more depth to your Brows or to give them control apply the Silk Brow Gel.

STEP 9: EYES - From The Nude Collective Eye Palette apply shade, Thanks Babe! with the Silk Vegan Blending Eye Brush into the crease.

STEP 10: EYES - Tap the shade 'Silk' onto the lid with the Silk Vegan Flat Shader Brush.

STEP 11: EYES - Using the shade 'Wannabe' with the Silk Vegan Angle Brush deepen the lash line and flick out.

STEP 12: EYES - To complete the eyes add the Silk Faux Mink Lashes in 'London' using the Silk Strong Bond Liner in Clear.

STEP 13: LIP - For the lips, complete the look with the Nude 2 Matte Lip Liner (Warm Peachy Nude) and finish off with the Nude 2 Matte Lipstick (Warm Peachy Nude).
