**STEP 1: PRIME** - Starting with a freshly cleaned face apply the Silk Argan Antioxidant Primer all over the face with your fingers, massaging it into the skin.

**STEP 2: FOUNDATION** - Choosing one of our 5 shades apply the Silk Argan Cream Compact Mineral Foundation all over the face using the Nude Blending Sponge. We have used the colour Cream.

**STEP 3: CONCEAL** - Using the Silk Vegan Concealer Brush cover any imperfections with one of the three shades in the Silk Argan Cream Concealer range. You want a shade that is the closest shade to your skin tone. We have used the colour Light.

**STEP 4: BRONZE** - Next accentuate the natural contours of the face using the Silk Argan 7 in1 Bronzer (light or dark) with the Silk Vegan Kabuki Brush with light circular motions. Focusing on the outside of the face, starting with the forehead down into the cheekbones and around

the jaw line. We have used the 7 in 1 Bronzer Colour Light.

**STEP 5: BLUSH** - Using the Silk Sunset Crush Blush Palette and the Silk Vegan Blush Brush apply the blush colour 'Rainbow Peach' to the apples of the cheeks using a dabbing motion and blending it in nicely using a soft sweeping motion to avoid any harsh lines.

**STEP 6: HIGHLIGHT** - Next you're going to subtly highlight the face. Using the Silk Argan Highlighting Trio Palette lightly dust the shade 'Pick Me Up' on the top of your cheeks, brow done or where ever you need a glimpse of highlight!

The best brush to use is the Silk Vegan Large Fan Brush for above the Cheeks and the Silk Vegan Small Fan Brush for your brow bones

**STEP 7: BROWS** - To Enhance, thicken & define your brows Apply the Silk Fibre Brow Enhancer in shade Light if you need more depth to your Brows or to give them

control apply the Silk Clear Brow Gel.

**STEP 8: EYES** - Using The Nude Collective Eye Palette apply shade 'Thanks Babe!' into the crease with the Silk Vegan Eye Blending Brush.

**STEP 9: EYES** - Blend shade 'Mi Amor' into the socket.

**STEP 10: EYES** - With the Silk Vegan Flat Shading Brush add shade 'Glam' and 'Amaretto' onto the mobile lid.

**STEP 11: EYES** - To highlight eye use the Silk Vegan Tapered Smudge Eye Brush to apply shade 'La La Land' into the eye inner corner.

**STEP 12: EYES** - Next step apply the Silk Faux Mink Lashes in Venice with the Silk Strong Bond Lash Liner in Black to complete the eye look.

**STEP 13: LIPS** - For the lips complete the look with Nude 5 (Mid Tone Rosy Nude) Matte Lip Liner and finish off with Nude 5 (Mid Tone Rosy Nude) Matte Lipstick.
