DIRECTIONS OF USE

Apply eyeshadows with a flat shade brush for the mobile lid and a blending eye brush for the socket and transition shades. For a high pigmented shine choose your preferred shimmer shade, spritz your flat shader eye brush with a setting spray and pat all over the lid for an intensity to guarantee your eyes to glimmer!

There are so many different colour combinations you can create with the amazing Nude Collective Palette. Please refer to the Silk website for "Get the Looks"

KEY INGREDIENTS

Mica – super versatile mineral powder. It is a multi tasker used to improve skin feel, increase product slip, give the product light reflecting properties, enhance skin adhesion and also serve as an anti cracking agent

Bis Diglyceryl Polyaciladipate-2 – a thick vegetable derived paste like emollient (lanolin alternative) it has smooth spreadability and touch and gives a substantive film to protect & moisturise the skin

Boron Nitride – Light diffusing and texture improving properties and is a multi tasker as it can blur imperfections, add an exceptional creamy feel to products and also acts as a mattifying agent
