ARGAN HAND & NAIL CREAM

PRODUCT SHEET

FAQS

WHAT SIZES ARE AVAILABLE? 100ml

WHAT ARE THE BENEFITS FROM USING THE ARGAN HAND & NAIL CREAM? The argan hand & nail cream promotes youthful looking hands, deeply hydrates dry skin and also assists in strengthening nails and conditioning cuticles making it the ideal solution to dry hands and brittle nails

HOW DO I APPLY THE ARGAN HAND & NAIL CREAM AND HOW OFTEN IS IT TO BE USED? Apply a generous amount to clean dry hands massaging into nail bed and cuticle. For best results apply once or twice a day

IS THE HAND & NAIL CREAM STICKY AND GREASY? No, not at all. It is lightweight cream that absorbs easily leaving no sticky residue. The vanilla fruit extract also leaves a subtle beautiful vanilla aroma

KEY INGREDIENTS

Cold Pressed Certified Organic Argan Oil - (Argania Spinosa Kernel Oil) is obtained from the fruit kernel of the Argan Tree rich in Vitamin E, antioxidants, omega-6 and omega-9 essential fatty acids all of which assist in keeping hair & skin nourished and hydrated

Australian Sweet Almond Oil - (Prunus Amygdalus Dulcis Oil) is obtained from the ripe seed kernel of the Sweet Almond Tree and is known to assist with hair & skin Conditioning and adds shine to hair

Aloe Vera - (Aloe Barbadensis Leaf Juice) is typically obtained from the leaves of the aloe plants and assists with skin conditioning enhancing the appearance of dry, damaged skin

Cetearyl Alcohol - is a fatty alcohol derived from natural sources such as plants, coconut and palm oils and is used in Silk Oil of Morocco products to prevent the product from separating into oil and liquid components

Vitamin E - (Tocopherol) acts as an antioxidant and assists with skin conditioning

Glycerin – plant derived, Glycerin acts as a skin replenishing and hydrating ingredient that assists in maintaining a healthy look and feel

Olive Oil – (Olea Europaea Fruit Extract) acts as a moisturiser and is known to be beneficial for dry skin

Green Tea Extract – (Camellia Sinensis Leaf Extract) is a rich source of antioxidants such as Vitamin C and Vitamin E.

Glycine Soja Oil - is the oil obtained from soybeans and acts as an emollient

Vanilla Fruit Extract – (Vanilla Planifolia Fruit Extract) to offer a subtle fragrance

ARGAN HAND & NAIL CREAM

TIPS & TRICKS

1

DRY & BRITTLE

Silk Oil of Morocco's intense hydrating Argan Hand & Nail Cream is the perfect solution for dry hands and brittle nails. Enriched with Cold Pressed Certified Organic Argan Oil which is rich in Vitamins, Antioxidants, Omega-6 and Omega-9 Essential Fatty Acids, combined with Australian Cold Pressed Sweet Almond Oil, soothing Aloe Vera, Vitamin E and Green Tea Extract to help soften and promote youthful looking hands.

2

HYDRATING

Can also be used on feet, a skin care necessity with a divine aroma of vanilla fruit extract.

- ✓ Deeply hydrating for dry skin
- ✓ Absorbs easily

3

MOISTURE

The skin on top of your hands is much thinner and has less sebaceous glands, meaning it can become dry very quickly. In comparison, the skin on your palms is a lot thicker, so for moisture to penetrate this area a hand cream needs to be rich and full of moisture binding ingredients.

DID YOU KNOW! When we do the washing up, drive our cars and walk around outside and mistreat our nails by using them as tools to unpick packaging, we're causing damage to our hands. Ever hear the phrase "dishpan hands"? It's what it sounds like: people who work with a lot of water, or who have to wash their hands over and over, end up with skin damage, as the constant exposure to water strips out the skin's natural oils.

Apply a generous amount to clean dry hands, massaging into nail bed and cuticle. For best results apply daily.
