It is recommended to always review the full ingredients lists and conduct a patch test prior to using the product for the first time- apply a small amount to a discreet patch of skin, like the inside of your arm. If any signs of redness or skin irritation occurs, do not use.

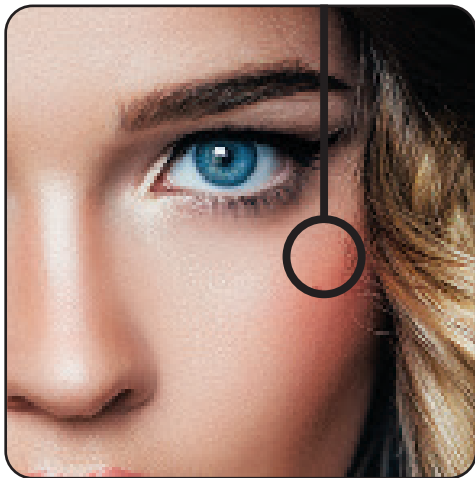

Vegan and cruelty-free products are made without any animal or animal-derived ingredients, and, they are not tested on animals at any point in the production process.

ARGAN BODY SHIMMER TIPS & TRICKS

1

CHEEKBONES

- Apply a small amount of Body Shimmer to the highest point of your cheekbones using a small Silk fan brush.
- Enhances cheekbones and attracts beautifully flattering light.

2

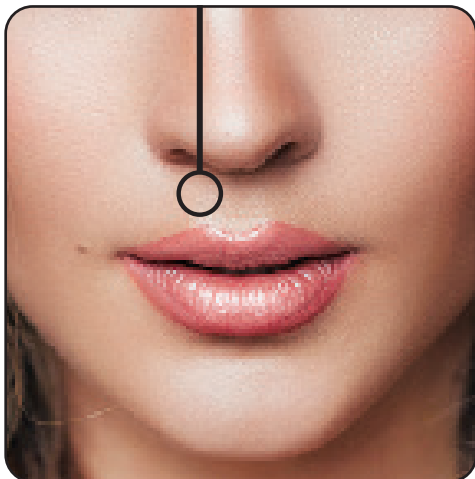

EYE & BROW BONE

- Apply a small amount of Body Shimmer to the inner corners of the eye and to the arch of the brow bone.
- Brightens eyes and lifts brows while attracting beautifully flattering light.

3

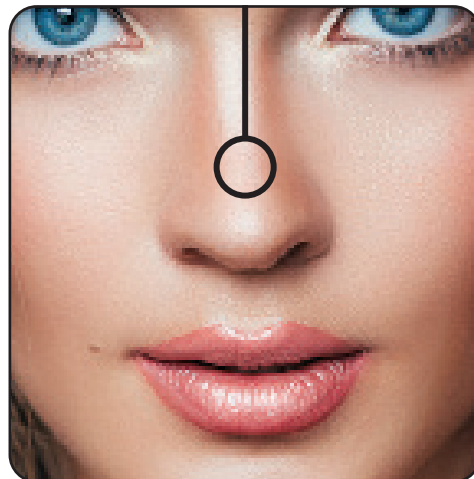

CUPIDS BOW

- Apply a small amount of Body Shimmer to the upper bow of the lips with a small Silk eye shadow brush.
- Emphasise pout with the appearance of fuller lips.

4

NOSE

- Apply a small amount of Body Shimmer to the bridge of the nose. If you are feeling adventurous dust a little shimmer on the tip of the nose.
- Sculpts and slims the nose while giving the appearance of a more symmetrical face.

Perfect for a tired complexion use the Argan Body Shimmer on the highpoints of your face to brighten and increase skin radiance. Mix a small amount of Argan Body Shimmer with silk oil of Morocco Body Cream and apply all over body.
