FAQS

WHAT SIZES ARE AVAILABLE? 375ml & 100ml convenient Travel size

IS THERE MORE THAN 1 FRAGRANCE IN THE ARGAN BODY WASH RANGE? There are six different fragrances in the argan body wash range. Patchouli, Geranium & Ylang Ylang, Orange & Grapefruit, Coconut & Lime, Moroccan Rose, Lemon Blossom & Frangipani. Silk Oil of Morocco offer a fragranced body wash to meet everyone's liking- in fact we are often praised for our sublime fragrances in this range

ARE THE FRAGRANCES USED IN THE BODY WASHES SYNTHETIC OR ESSENTIAL OIL BLENDS? Essential oil blends offer sublime aromas in the argan body wash range

ARE THE ARGAN BODY WASHES SAFE TO USE ON THE FACE? Yes avoiding the eye area, however we recommend using the Argan Gel Cleansing Facial Wash as it has been specifically formulated for use on the face. Like any product, if it does get into your eye rinse with water immediately

WHAT DOES SULFATE FREE MEAN? Sulfates are detergents made of sulfur containing mineral salts that make body washes turn into a thick lather and foam. The most common are sodium lauryl sulfate (SLS), sodium laureth sulfate (SLES) and ammonium lauryl sulfate (ALS) and are used in most household cleaning products. Sulfates are very harsh on the skin and can strip it of moisture and of its natural oils and is a known skin irritant. Silk oil of morocco use a gentle blend of plant derived surfactants which lather and foam just as effectively and is much gentler on your skin

CAN I USE THE ARGAN BODY WASHES TO SHAVE MY LEGS? Generally yes as it is a gentle surfactant base that offers great foam and lather whilst adding moisture from the beneficial oils
