FAQS

WHAT SIZES ARE AVAILABLE? 375ml

IS THERE MORE THAN 1 FRAGRANCE IN THE ARGAN BODY WASH RANGE? There are seven different fragrances in the argan body wash range. Patchouli, Geranium & Ylang Ylang, Orange & Grapefruit, Coconut & Lime, Moroccan Rose, Lemon Blossom, Frangipani, Passionfruit & Lychee Silk Oil of Morocco offer a fragranced body wash to meet everyone's liking- in fact we are often praised for our sublime fragrances in this range

ARE THE ARGAN BODY WASHES SAFE TO USE ON THE FACE? Yes avoiding the eye area, however we recommend using the Argan Gel Cleansing Facial Wash as it has been specifically formulated for use on the face. Like any product, if it does get into your eye rinse with water immediately

WHAT DOES SULFATE FREE MEAN? Sulfates are detergents made of sulfar containing mineral salts that make body washes turn into a thick lather and foam. The most common are sodium lauryl sulfate (SLS), sodium laureth sulfate (SLES) and ammonium lauryl sulfate (ALS) and are used in most household cleaning products. Sulfates are very harsh on the skin and can strip it of moisture and of its natural oils and is a known skin irritant. Silk oil of morocco use a gentle blend of plant derived surfactants which lather and foam just as effectively and is much gentler on your skin

CAN I USE THE ARGAN BODY WASHES TO SHAVE MY LEGS? Generally yes as it is a gentle surfactant base that offers great foam and lather whilst adding moisture from the beneficial oils

FOUR AMAZING ESSENTIAL OIL SCENTS: Coconut & Lime uplifting & refreshing scent tropical and fruity, Morrocan Rose intoxicatingly beautiful, delicate, is a subtle replica of fresh roses in bloom. Orange & Grapefruit delicately blended, this zesty combination will delight the senses. Patchouli, Geranium & Ylang Ylang a mixture of essential oils sweet, dark, with an earthy, woody edge, revitalizes and soothes your senses.

It's more hygienic than bar soap: Bar soap is often shared between people, and left laying in showers collecting bacteria. So for the germaphobes out there, body "wash" is your best bet.
