KEY INGREDIENTS

Cold Pressed Certified Organic Argan Oil - (Argania Spinosa Kernel Oil) is obtained from the fruit kernel of the Argan Tree. Rich in Vitamin E, antioxidants, omega-6 and omega-9 essential fatty acids all of which assist in keeping skin nourished and hydrated

Hydrolyzed Soy Protein- enhances hair manageability, helps mend and smooth hair, increases the hair's natural ability to retain moisture and improves tensile strength. It also helps promote the appearance of thicker looking hair. It increases the bending stability of hair of more than 40% which can lead to an increase in hair volume and improvement in hair styling

PVP - is used as a hair fixative to provide a good hold factor

Polysorbate-20 – derived from lauric acid from coconuts and helps oils and other ingredients blend with water

Ethylhexyl Methoxycinnamate - to help protect hair from drying effects caused by the sun

Dimethicone - is one of the most frequently used emollient ingredients in moisturisers due to its gentleness and effectiveness. It provides a lightweight moisturising finish and offers great spreadability
