|-------------------|---------------------|---|
| 9.1               | Appearance:         | Powder                                  |
| 9.2               | Melting Point:      | Not Available                           |
| 9.3               | Specific Gravity:   | Not Available                           |
| 9.4               | pH:                 |   |
| 9.5               | Solubility (Water): | Not Available                           |
| 9.6               | Odour:              |   |
| 9.7               | Flammability:       | Non Flammable                           |

| <b>SECTION 10:</b> |                      | <b>STABILITY AND REACTIVITY</b>                            |
|--------------------|----------------------|--|
| 10.1               | Stability:           | Stable under recommended conditions of storage and use     |
| 10.2               | Conditions to avoid: | Avoid heat, sparks, open flames and other ignition sources |
| 10.3               | Materials to avoid:  | Strong acids, strong alkalis and oxidizing agents          |

| <b>SECTION 11:</b> |                       | <b>TOXOLOGICAL INFORMATION</b>        |
|--------------------|-----------------------|---------------------------------------|
| 11.1               | Acute Effects:        |                                       |
|                    | Swallowed             | May be harmful                        |
|                    | Eye                   | May be irritating                     |
|                    | Skin                  | May be irritating                     |
|                    | Inhalation            | May be harmful                        |
| 11.2               | Acute Toxicity:       |                                       |
|                    | LD50 [Oral]:          | Not tested on animals – not available |
|                    | LD50 [Dermal]:        | Not tested on animals – not available |
|                    | LC50 [Inhalation]:    | Not tested on animals – not available |
| 11.3               | Short Term Toxicity:  | Not available                         |
| 11.4               | Long Term Toxicity:   | Not available                         |
| 11.5               | Human Exposure Tests: | Not available                         |

| <b>SECTION 12:</b> |                | <b>ECOLOGICAL INFORMATION</b>   |
|--------------------|----------------|---|
| 12.1               | Eco-toxicity:  | None established. Avoid pollution to soil, rivers and the ocean   |
| 12.2               | Degradability: | This product is readily biodegradable   |
| 12.3               | Environment:   | No adverse effect anticipated with animals or plant life if released to the environment is small quantities |

| <b>SECTION 13:</b> |                | <b>DISPOSAL CONSIDERATIONS</b>  |
|--------------------|----------------|---|
| 13.1               | Waste Disposal | No special precautions are required for disposal of this product. Wherever possible, recycle packaging. |
| 13.2               | Legislation    | Dispose in accordance with relevant local legislation   |

| <b>SECTION 14:</b> |                             | <b>TRANSPORT INFORMATION</b>   |
