FAQS

WHAT SIZES ARE AVAILABLE ? 380ml

IS THERE MORE THAN 1 SCENT AVAILABLE IN THE SILK FOR MEN HAIR & BODY SHAMPOO RANGE ? Yes, there are 3 different scents available:

IMPACT- providing a fresh athletic scent

TIDY- providing a long lasting masculine scent

RUSH- providing an invigorating Peppermint scent

IS THE SILK FOR MEN HAIR & BODY SHAMPOO SAFE TO USE ON THE FACE ? It is not recommended to use RUSH Hair & Body Shampoo on the face as it contains Peppermint Essential Oil and should be kept away from eye and mouth areas. It is recommended that you use SILK FOR MEN Ignite- Gel Face Wash as it has been formulated for use on the face and offers some other active ingredients. As with all products, always avoid contact with the eyes.

WHAT DOES SULFATE FREE MEAN ? Sulfates are detergents made of sulfur containing mineral salts that make body washes turn into a thick lather and foam. The most common are sodium lauryl sulfate (SLS), sodium laureth sulfate (SLES) and ammonium lauryl sulfate (ALS) and are used in most household cleaning products. Sulfates are very harsh on the skin and can strip it of moisture and of its natural oils and is a known skin irritant. Silk for Men use a gentle blend of plant derived surfactants which lather and foam just as effectively and is much gentler on your skin
