

PRODUCT NAME	GEL ACTIVATOR	COUNTRY OF ORIGIN	MADE IN AUSTRALIA
SIZE	15ml e 0.50 fl oz.		
PRODUCT CODE	OMCGEL		

Use a drop of Silk Vegan Gel Activator and mix with any Silk Argan Eye Shimmer, Glitter Dust or Shadow to create a new gel-formula that can be used as a liquid eye liner. Use to also create a stunning 'wet look' or metallic finish. The Silk Gel Activator applies beautifully and helps eye make-up stay put and last longer! This gel does not contain alcohol, sting eyes or evaporate.

Benefits:

- Vegan Friendly
- Water-resistant, smudge-proof, gel formula
- Creates versatility transforming loose and pressed eye glitters/shimmers/shadows into gel finishes
- Turns eye glitters/shimmers/shadows in to liquid eye liners
- Transforms Silk's loose Argan Eye Shimmers into metallic looking 'wet' finishes
- Long-lasting eye colour - Helps set eye glitters/shimmers/shadows in place for a longer wear time
- Enables you to mix and design your own formula and unique colours
- Easily applied with the Silk Eye Liner or Shadow Brush
- Easily removed with water, cleanser or make-up remover

Free From:

- Alcohol
- Animal Testing

Directions of use:

Just a drop or two of Silk Vegan Gel Activator turns any Silk Eye Shimmer or Shadow into a coloured liquid eyeliner. Can also be mixed to create an all over 'wet look' eye shimmer/shadow finish. Use the lid of your Eye Shimmer to mix gel with shimmer, alternatively you can use a make-up mixing palette or the back of your hand.

Ingredients:

Aqua, Hydroxyethylcellulose, Propylene Glycol, Phenoxyethanol, Sodium Dehydroacetate.
