How it *works*

MONDAY

You reach work to find vases full of glorious flowers at pre-determined spots around the office.

Curiosity is sparked, conversations begin, clients ask about the flowers, the day shifts...

MIDWEEK

Flower stems are trimmed, the water changed, flower food added and wilted flowers replaced.

Service elves have been secretly at work.

WEEKEND

The vases full of flowers disappear!

(You never find out because you are not there.)

MONDAY

A new week begins, you find vases full of new flowers, delicately curated, exquisitely arranged, fresh and incredible, telling a new story.
