PURPLE PAINT**

# SEWA'S SANITATION PROGRAM

Can you imagine not having  
a Toilet?

About **49% of**  
School Children across  
India do not have  
access to school toilet facility

## Our Journey

In 2015, Sewa International started the “#Yes! I can go to school” program, and implemented the first pilot project by installing toilets at four government schools in Jigani, Bengaluru District, in South India. Girl's school attendance increased by 87%.

Since then, Sewa International has expanded the project to different locations across India. In the past five years, this project has benefited more than 9,927 families and 43,989+ school children from various sections of Indian communities.

## Our Reach

698 Toilets Benefitting  
43,989+ School children  
9,927+ Families

14 Indian States  
27+ Districts

35,000+ adolescent girls

## Key Focus Areas

Our Key Focus Area:

1. Building new toilets/repairing existing toilets in schools with a higher percentage of girl students.
2. Construction of menstrual rooms for adolescent girls and female school staff.
3. Providing water for sanitation.

There are several 'rights' given to citizens of India but the right to a safe, secure, and healthy life at home and in schools is not one of them. Thus, we believe a “Right to Sanitation Facilities”, especially for our women and girl children who face several challenges everyday just to attend nature calls in a safe and secure environment, is much needed.

SHE team is committed to providing such toilet facilities in communities, neighbourhoods, and schools, where they are not available so that we can ensure both dignity and safety to women and girl children.

Donate a toilet now!

# NEED ANALYSIS – RAJASTHAN & KARNATAKA

## Key requirements:

- 44 new toilets in rural schools across Rajasthan & Karnataka
- Soak pit; Overhead tank
- Water provision for sanitation; Wash basin installation
- Menstrual awareness for adolescent girls

**State:** Rajasthan & Karnataka

**Districts:** Viratnagar & Gadag

**Number of schools identified:** 6

Government Schools

**Total beneficiary Strength :** 1285 students, 39 staff

**Requirements in each school post survey and analysis.**

- 6 new toilets/urinals for students and teachers.
- Construction of new soak pit for sanitation.
- Overhead tank to provide water for sanitation; Water connection inside the toilet units.
- Wash basin outside the toilet block.
- Menstrual health and hygiene sessions with distribution of reusable sanitary napkin kits to adolescent girls.

The identified schools are in very remote rural areas with limited facilities for water and sanitation; Children walk through 2-3 villages everyday to commute to school. Lack of proper sanitation facilities causing a lot of health issues for students.

Sewa received request letters from each school and upon approval from the Education department, Govt of RJ & KA is working on improving sanitation facilities in these schools.

**With generous funds from Riya Dadheech- Purple Paint, Sewa is providing sanitation facilities, menstrual health and hygiene awareness in the above identified schools.**

Subject :- Request to help.  
Ref. :- 1

Dear Sir

I am pleased to know from Shri Bheemraj Gurjar and Shri Shrawan dal Gurjar that you are interested to help the poor students and govt. school which don't have proper infrastructure and various facilities.

In this present academic session I have 825 students (252 boys and 273 girls). There are only 5 rooms which are being used for classroom teaching so the school is being run in two shifts. Toilets are in very bad condition without water facility.

The school will heartily welcome any kind of help provided by you.

Thanks with regards.

विषय- विद्यालय में 'बालिका टॉयलेट' बनवाने के संबंध में।

निवेदन है कि हमारे विद्यालय में बालिका टॉयलेट की आवश्यकता है। वर्तमान में विद्यालय का नामांकन इस प्रकार है -

बालक= 48 + बालिका=58 = कुल 106 का नामांकन है।

SUB: Requesting Construction of toilet blocks in government schools

Dear sir/Madam,

We hereby request sewa international's SHE (Sanitation, hygiene and empowerment of the girl child) project to construct toilet blocks in the following schools:-

We have found that there is lack sanitation facilities in the above mentioned school and we authorise sewa international in fulfilling these requirements by constructing new toilet blocks/repairing the existing blocks.

Our Education department will not have any objections and we are pleased that sewa international is extending their helping hands.

Thanking you,

Yours faithfully, *26.06.22*

SUB: Seeking NOC for building sanitation blocks in Government schools.

Dear sir/Madam,

Sewa International is a Hindu faith-based, humanitarian, non-profit, tax-exempt 501(c) (3) service organization. We undertake disaster rescue, and relief and rehabilitation work as well as implement development projects globally.

Sewa International's SHE Project for the Girl Child was conceived to provide sanitation and hygiene facilities for girls who belong to the vulnerable section of Indian society so that they can overcome social and cultural norms of the till now accepted practice of open defecation outside of the home. Along with sanitation development workshops, we also focus on menstrual hygiene and education, Empowering women and girl child through skill development workshops.

We have received a request from the following schools to fulfil their sanitation requirement.

- 1)Rajakiya uccha prathamik vidyalaya,Mahasinha ka bas.
- 2)Mahatma Gandhi government school,viratnagar.
- 3) Rajakiya uccha prathamik vidyalaya,Ismailpur
- 4) Rajakiya uccha prathamik vidyalaya,Devali
- 5) Mahatma Gandhi government school,Papda.

We want to bring this upto your notice and seek your formal approval for constructing new toilets/repairing the existing ones according to the school's requirement.

The point of contact for this project will be our project based consultant Mr.Bheemraj and construction will be monitored by him at the ground level.

Thanking you,

Yours faithfully
