

# SEWA INTERNATIONAL'S SHE PROJECT

## Donor Report

**SHE - Sanitation, Hygiene and  
Empowering the Girl Child**

DEC 14, 2022

**ESTEEMED DONOR -  
SEWA CENTRAL NEW JERSEY CHAPTER**

# SEWA'S SANITATION PROGRAM

Can you imagine not having  
a Toilet?

About **49% of**  
School Children across  
India do not have  
access to school toilet facility

## Our Journey

In 2015, Sewa International started the “#Yes!cangotoschool” program, and implemented the first pilot project by installing toilets at four government schools in Jigani, Bengaluru District, in South India. Girl's school attendance increased by 87%.

Since then, Sewa International has expanded the project to different locations across India. In the past five years, this project has benefited more than 9,927 families and 43,989+ school children from various sections of Indian communities.

## Our Reach

698 Toilets Benefitting  
43,989+ School children  
9,927+ Families

14 Indian States  
27+ Districts

35,000+ adolescent girls

## Key Focus Areas

Our Key Focus Area:

1. Building new toilets/repairing existing toilets in schools with a higher percentage of girl students.
2. Construction of menstrual rooms for adolescent girls and female school staff.
3. Providing water for sanitation.

There are several 'rights' given to citizens of India but the right to a safe, secure, and healthy life at home and in schools is not one of them. Thus, we believe a “Right to Sanitation Facilities”, especially for our women and girl children who face several challenges everyday just to attend nature calls in a safe and secure environment, is much needed.

SHE team is committed to providing such toilet facilities in communities, neighbourhoods, and schools, where they are not available so that we can ensure both dignity and safety to women and girl children.

Donate a toilet now!

# NEED ANALYSIS – RAJASTHAN

## Key requirements:

- 12 new toilets in rural schools across Rajasthan
- Soak pit; Overhead tank
- Water provision for sanitation; Wash basin installation
- Menstrual awareness for adolescent girls

**State:** Rajasthan

**District:** Viratnagar

**Block:** Jaipur

**Number of schools identified:** 2 Govt Schools

**Total School Strength :** 1125 Students, 18 staff

## Requirements post need analysis:

- 6 new toilets/urinals in each school
- Overhead tank for providing water for sanitation and providing water connections to the toilet units
- Wash basin outside the toilet block

All the identified schools are in very remote rural areas with limited facilities for water and sanitation; children travel 2-3 villages to come to school for studying.

Sewa has received request letter from district education department, govt of Rajasthan requesting Sewa to help with sanitation facilities in these identified underprivileged schools.

**With generous funds from Central New Jersey chapter, Sewa is providing sanitation facilities, menstrual health and hygiene awareness camps in the above identified schools.**
