SEWA'S SANITATION PROGRAM

Can you imagine not having
a Toilet?

About **49% of**
School Children across
India do not have
access to school toilet facility

Our Journey

In 2015, Sewa International started the “#Yes! I can go to school” program, and implemented the first pilot project by installing toilets at four government schools in Jigani, Bengaluru District, in South India. Girl's school attendance increased by 87%.

Since then, Sewa International has expanded the project to different locations across India. In the past five years, this project has benefited more than 9,92+7 families and 53,989 school children from various sections of Indian communities.

Our Reach

790 toilets benefitting
53,989 school children
9,927+ families

14 Indian States
27 Districts

35,000+ adolescent girls

Key Focus Areas

Our key focus areas

1. Building new toilets/repairing existing toilets in underprivileged schools with a higher percentage of girl children
2. Construction of menstrual rooms for adolescent girls and female support staff
3. Providing water for drinking and sanitation

There are several ‘rights’ given to citizens of India but the right to a safe, secure, and healthy life at home and in schools is not one of them. Thus, we believe a “Right to Sanitation Facilities”, especially for our women and girl children who face several challenges everyday just to attend nature calls in a safe and secure environment, is much needed.

SHE team is committed to providing such toilet facilities in communities and schools, where they are not available so that we can ensure both dignity and safety to women and girl children.

Donate a toilet now!

NEED ANALYSIS –GOVERNMENT SCHOOL IN CHAMOLI–UTTARAKHAND

Key requirements during Need analysis in June 2023

- 4 new toilets in a government school in Chamoli, Uttarakhand
- soak pit; overhead tank; water provision for sanitation; wash basin installation

State: Uttarakhand

District: Chamoli

Identified schools: Government schools in Chamoli, Uttarakhand

Total beneficiary Strength : 86 students and 7 staff

Requirements post survey and analysis:

- 4 new toilets for students and teachers in school.
- Construction of new soak pit for sanitation.
- Overhead tank to provide water for sanitation; Water connection inside the toilet units.
- Wash basin outside the toilet block.

To increase the program impact and for the overall development of girl children across India, Sewa will be providing multiple interventions in this school - menstrual health & awareness, yoga & mental wellness workshops.

The identified school is in a very remote rural area with limited facilities for water and sanitation; Children walk through 2-3 villages everyday to commute to school. Lack of proper sanitation facilities causing a lot of health issues for students.

Sewa received a request letter from this school and upon approval from the Education department, Govt of Uttarakhand, started working on improving sanitation facilities in this school.

With generous funds from Vaibhav & Pallavi Sathe-Atlanta, Rajesh Patwari-Pittsburg and Anup & Archana Gupta - Boston, Sewa is providing sanitation facilities in the above identified school.

Ref. No. 1909/Sewa SHE/2022-23 dated 02/03/2023

Sub-Requesting Construction of toilet block in Janta H. S. School Bamoth, Chamoli, Uttarakhand

Dear Sir/Madam,

We hereby request sewa international's SHE(Sanitation, hygiene and empowerment of the girl child) project to construct toilet block which will benefit 86 of students and 12 no of staffs.

We formally confirm that the Janta H. S. school management and school development committees have no objection for constructing new toilet block, bore wells, soak pit/septic tank, water storage tank inside our school campus.

Maintenance of these newly constructed block and the asset donated by sewa & its donors will be done by the school management and take sole responsibility of putting it to right use.

The Janta H. S. school is registered under the state government of uttarakhand and runned by it. We are grateful to sewa international for identifying the requirement of sanitation in our school and fulfilling it.

We hereby confirm that we have informed/have consent of our cluster coordinator/block educational officer for the construction.

Thanking you,

Yours faithfully,

(Rakesh Prasad Mangain)
