PFI150 Flat/Incline Bench

Powerline by Body-Solid's PFI150 Flat/Incline Bench is designed for use in home, garage and basement gyms with an emphasis on workout variety thanks to independent ladder-style back (-18°, 0°, 15°, 30°, 45°, 60°, 80°) and seat pad (0°, 10°, 18°) adjustments. Expertly crafted to integrate perfectly with Powerline by Body-Solid's PPR500 Half Rack, PPR1000 Power Rack and PMP150 Multi-Press Rack, the PFI150 can help bring any power rack or cage to another level. Convenient transport wheels make moving the Powerline by Body-Solid PFI150 Flat/Incline Bench both easy and safe.
