S1000 Pro Clubline Four-Stack Gym

The Pro Clubline S1000 Four-Stack Gym is a full commercial multi-station gym featuring four independent, unique exercise stations and weight stacks, allowing up to four people to work out simultaneously.

Meticulously crafted and designed to look great in all contemporary workout and fitness facilities, the Pro Clubline S1000 features a bold matte black finish and sleek fully-shrouded weight stacks. Built with 11-gauge steel, the S1000 can hold up in heavy-use commercial and light commercial facilities.

The Pro Clubline S1000 Four-Stack Gym comes standard with four x 210 lb. weight stacks (upgradable to 310 lb. stacks), and each gym includes a lat bar, curl bar, ab strap, ankle strap, and two cable handles.

Weight: 1728 lbs.
Dimensions: 124"L x 135"W x 83"H
