

ISOLATION SERIES

SELECTORIZED LOW PULL

GR616

The Selectorized Seated Low Pull—from the BodyKore Isolation Series—is the perfect add-on to your complete home gym or garage gym setup. It comes outfitted with 220lb weight stack. The machine is great for building the lats and back by doing the seated row exercise. With fluid machinery and easily adjustable for any user’s needs, the Selectorized Seated Low Pull is fully in accordance with the human body’s mechanics.
