

Stacked Series

PLATE LOADED INCLINE CHEST PRESS

GR804

Commercial Rated Precision Pivot Bearings

11-Gauge Steel Frame Construction

Heavy Duty Foam Grips

Ergonomic Backseat Design

Adjustable Padded Seat

The BodyKore Stacked Series GR804 Incline Press targets muscles in the chest with a comfortable and customizable chest press workout. Quickly add weights to the nickel-plated weight tubes and the precision pivot bearings will ensure each rep is smooth and natural. Padded, ergonomic chair back design and an adjustable padded seat provide a comfortable workout.

The Plate Loaded Incline Chest Press provides high quality with a simple design to enhance the user workout and ensure a worry-free, heavy-duty, product for your gym space. Easy to use, with a clean appearance, all while offering a smooth natural feel. Natural feel of free weights in a guided press. Oversized pivot point for smooth lift and long-lasting durability. The quick and easy adjustment points and ergonomic handles this machine is a great addition to any home or commercial gym.
