

**Introducing the Tot Town®
Mushroom Kottage from
SportsPlay!**

Inside there are shapes that encourage tactile development and identification. Outside, there is a slide and a side bench – that helps build standing skills.” It comes with an adorable toadstool chair too.

It’s easy to install and easy to clean. It has a wide entry door for easy access which also allows easy observation of children.

The Mushroom Kottage features many manipulative play events for children ages 9 months to 2 years. It can help to encourage and develop gross motor skills, perceptual-cognitive and linguistic-social skills, as infants and toddlers explore this enchanting play structure.
