# Bangle Size Guide

Bangle size is determined by the **size of your hand** and not your wrist. Please print this guide to 100% scaled on US letter-size (8.5" x 11") paper. The scale is correct if a credit card is the same length as the line below.

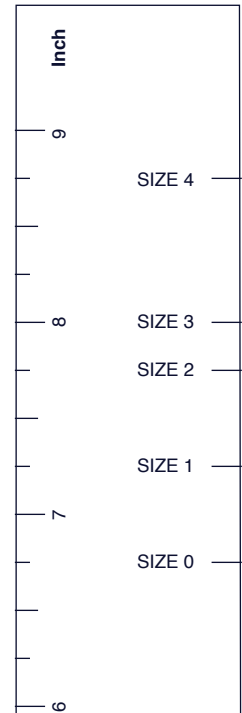

## MEASURE YOUR SIZE

1. Cut out the ruler and make a small slit on the dotted line.
2. Wrap the ruler around with the numbers facing out.
3. Slip the numbered end of the ruler through the slit
4. Close your thumb to the pinkie finger as shown in the diagram.
5. Pull the ruler the way around the set of knuckles closest to your wrist (refer to diagram).
6. Compare the measurement to the chart below.

\*If you're unable to print, a string or ribbon can be used to the same effect. Measure the length of the ribbon or string with a ruler and compare the measurement to the chart below.
