DINING TABLE ELLIPSE & ROUND

Story behind:

Designed by 366 Concept for both homes and conference rooms. Dining Table offers the advantages of a round table without taking up too much space, hiding functionality under timeless aesthetics. It matches ideally with the 200-190 Chairs, both in upholstered and timber versions. The table is dedicated to those who prefer furniture with a classic design, but presented in a modern and refreshed form. It is available in Ellipse and Round form.
