

Affordable Organics

Certified Organic Gluten-Free

Dear Merchant,

As a loyal and frequent customer, I want to share information on a new company which has a wide array of organic and allergen-free foods that I would gladly purchase if available in your store.

Edison Grainery will bring high-quality, certified organic pantry staples from around the globe to your market. Since they are the first hand in what often becomes a long daisy chain of logistics complications, they are able to sell to you directly at extremely competitive prices.

Edison Grainery is known for their commitment to Food Safety. Their robust safety protocols include:

- **3rd Party Lot Specific COA for Pathogens and Gluten Levels posted Online**
- **Routine Screening for Pesticide Residues such as Glyphosate**
 - **Sifter / Separator**
 - **Rare Earth Magnet**
- **State of the Art 'Optical Laser Color Sorter'**
- **Multiple Metal Detection throughout the Packing Process**

Edison Grainery appeals to customers with food allergies and food intolerance, diet restrictions, plus those seeking an affordable organic option. To request a direct-to-retail price list, please email: orders@edisongrainery.com

Thanks for your consideration!
