<b>FOOD SAFETY PLAN: c GMP STATEMENT</b>		
<b>Effective Date:</b> 01/01/2023	<b>Revision Date:</b> 10/13/223	<b>Review Date:</b> 01/01/2024

Edison Mercantile, LLC ("Edison Grainery") follows current Good Manufacturing Practices ("cGMPs") as required by the FDA under 21 CFR Part 117 Subpart B. This includes practices related to:

- Personnel Practices
- Plant and Grounds
- Sanitary Operations
- Sanitary Facilities and Controls
- Equipment and Utensils
- Processes and Controls
- Warehousing and Distribution
- Defect Action Levels

Because producing safe food products free from contamination is our primary obligation, it is mandatory that all employees know and follow the requirements and expectations regarding GMPs at all times while in the Edison Mercantile facility. All employees receive training in food hygiene and food safety, including the importance of employee health and personal hygiene.

We have established Standard Operating Procedures to ensure that cGMPs and other prerequisite programs are implemented effectively.
