© DECA s.p.a. Str. dei Censiti, 10 Falciano - Rovereta 47891 Repubblica di San Marino - Tel. 0549 910.711 - Fax 0549 908.360 - deca@decaweld.com The DECA Campus is a project that involves a constant interaction with high schools and universities, so that the new generations can enter the world of work and be stimulated to produce innovation in technical and relational terms. DECA offers its experience and ethical values to young people who face the future without prejudice. The brain is the central organ of the nervous system, and with the spinal cord makes up the central nervous system. The brain consists of the cerebrum, the brainstem and the cerebellum. It controls most of the activities of the body, processing, integrating, and coordinating the information it receives from

the sense organs, and making decisions as to the instructions sent to the rest of the body. The brain is contained in, and protected by, the skull bones of the head.

?? Portanto, antes de culpar o treino, a dieta , o metabolismo, ou qualquer outra coisa pela falta de resultado, avalie se voce esta realmente se esforcando no treino, pois se nao estiver, dificilmente atingira seus objetivos. Then take the bus n°8 towards GRADIGNAN Malartic until the stop "LE DOME" then follow the signs Decastar , a 10 min walk. From the airport Bordeaux-Merignac: the stadium is 20 min by car. Take the A630 towards Arcachon/Bayonne/Toulouse till exit n°16 Talence-Centre/Domaine Universitaire. ??What is the success rate of each treatment option. Unfortunately, no surgery or treatment is 100% successful. Having an idea of whether surgery or nonsurgical care would be more successful in your case is important in making an informed decision.
