

ERGOLASH® 50mm

- Sideways insert of lashing strap into ratchet
- Patented lashing function
- High quality materials
- Danish design

Complete package, consisting of:

Short part (Ratchet 50mm): contains ratchet with patented 'quick-mount' function in the absolute best quality and 0.5 meter strap with hook in high quality.

Long part (Lashing strap 50mm): contains 9.5 metres of high-quality lashing strap. The long part is endless at one end while the other end is fitted with the same high quality hook as the short part.

Features

Reduce lashing time with up to 35%

No need to feed entire strap through ratchet

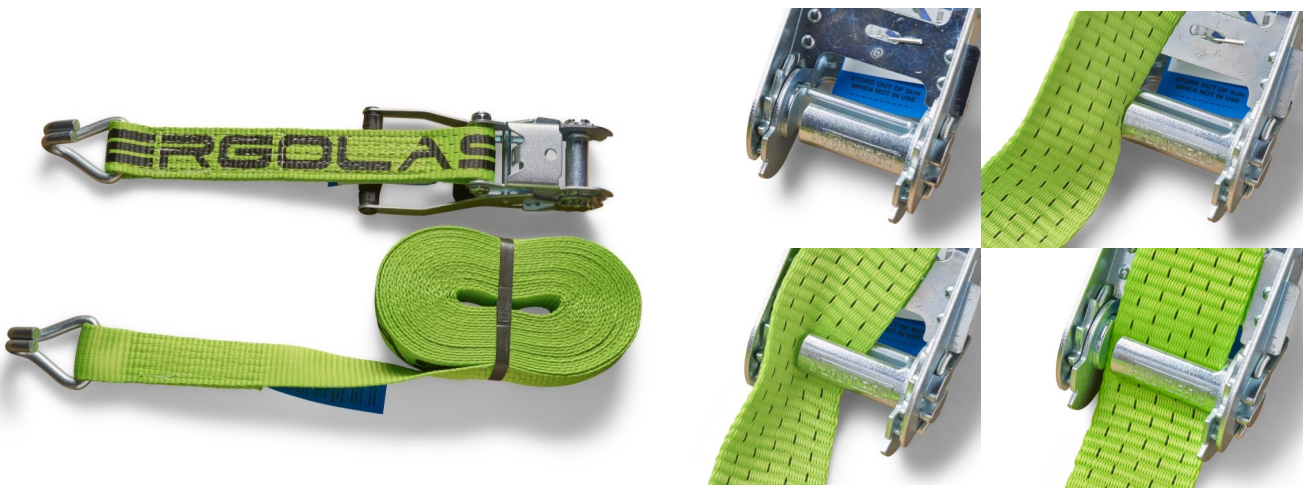

ERGOLASH® is internationally patented (Patent no. 141944A1)
