A 3D molecular model is shown against a white background. The model consists of numerous spheres of various colors (blue, orange, red, yellow, green) connected by thin, semi-transparent rods. The spheres have a glossy, reflective surface. A semi-transparent rectangular box with a dark border is overlaid on the right side of the image, containing the text 'NPP' in a bold, black, sans-serif font.

NPP

Jumpstart contains DIM, Fenugreek, Maca root and Boron to support estrogen and testosterone from over or underproducing when the endocrine system gets taxed deep into prep. By managing this, I am able to keep energy high, improve my recovery and keep progressing.
