Y'all I'm getting more facial hair! My moustache is darker! I got some close ups of the hair and it makes me euphoric seeing it. I actually have hair on my chin. I used to shave the peach fuzz off cause I didn't know if I wanted facial hair besides a moustache and now I've decided on not shaving and seeing what grows. I'm around 6 months and 1 week on T to be somewhat exact. I'm just so happy I'm on T and I still can't believe it actually happened! [one-time offer](#)

Puberty was awful the first time as it was the puberty I never wanted. Even though this round of puberty is on hyperdrive, I wouldn't do it any differently. Going through all of these not so fun things have strong armed me into being very present and open to listening to what my body needs. I was never good

at slowing down until now. I make adjustments like wearing hats and sunglasses, I quickly change out of my sweaty clothes after workouts, upped my yogurt intake, as well as time blocking screen and focus time. [her latest blog](#)
