Feel Better
Naturally[™]

Unique Natural Supplement

Why?

In our modern environment, an animal's tissues are increasingly exposed to new aggressive pollutants that push their internal purification capacities to their limits.* Although many dietary supplements for digestion, joint strengthening, skin and hair coat protection and for overall well-being do exist, there is nothing else on the market for animals like **PaoVet®**.

Feel Better
Naturally™

Unique Ingredient

Pao pereira, a well known tree native to South America, has been used for centuries by Native American tribes to support their immune systems. It is "Sourced from NATURE... Perfected by SCIENCE®"

Trusted by Veterinarians

Numerous testimonials from veterinarians and happy pet parents show success and trust in Pao pereira.

Non-existent Competition

PaoVet® is a one of a kind, highly concentrated Pao pereira supplement to help animals feel better naturally.

Ingredients

Feel Better
*Naturally*SM

Active Ingredients per Capsule

Pao pereira (Geissoperm vellosii) Bark Extract 125 mg

Other Ingredients

Microcrystalline Cellulose (Bulking Agent),
Hydroxypropyl Methylcellulose (Vegetarian Capsule)

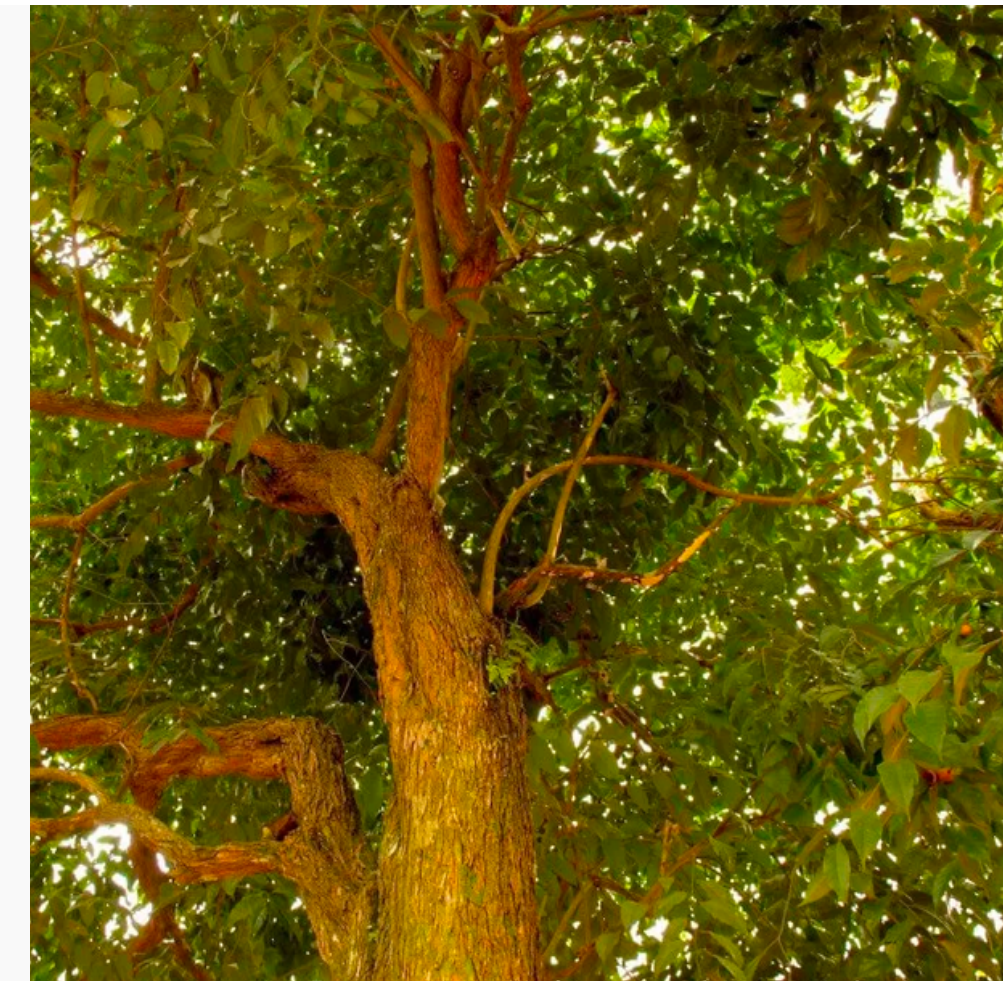

————— To detoxify the body, eliminate or neutralize unwanted and harmful cells* —————

Pao pereira

- Sustainably harvested from **trees** in the **Amazon rain forest**.
- The unique health properties of the extract were **originally researched** by **Dr. Mirko Beljanski, PhD** in Molecular Biology at the Pasteur Institute in Paris, France.
- **Helps support the immune and detoxification systems** by opposing the effects of pollutants in our environment.*

Broad Spectrum Support

Triple effectiveness of PaoVet®

Feel Better
Naturally™

Acts at the level of the DNA

Works by binding specifically to the damaged DNA structure and preventing DNA replication.*

*Reference: M. BELJANSKI, "The Regulation of DNA Replication and Transcription. The Role of Trigger Molecules in Normal and Malignant Gene Expression". Experimental Biology and Medicine, vol.8, Karger (1983), pp. 1-190.

Anti-viral Activity

There are reports of Pao pereira's effectiveness against numerous viruses, as the extract inhibits viral polymerases.* It's effectiveness is partly explained by the very high concentration (125 mg) of Pao pereira. PaoVet® contains 125 mg of the Pao pereira extract.

*Reference: "Tolerance and Feasibility of a 12-Month Therapy Using the Antiretroviral Agent PB100 in AIDS-Related Complex Patients." D.Donadio et al. Dtsch.Zschr.Onkol. 26, 6 (1994).

Selectivity of Action & Synergy with Treatments

The Pao pereira extract does not compromise healthy cells. Recent research conducted by Kansas University Medical Center has confirmed the synergy of action between Pao pereira and conventional treatment

*References: "The plant extract of Pao pereira potentiates carboplatin effects against ovarian cancer." Dr. Jun Yu and Dr. Qi Chen (2013)

Our Pao pereira extract has been used in numerous studies at Columbia University and Kansas University Medical Center. Read about this promising research on www.beljanski.org.

Our veterinarians say

Dr. Hervé Janecek

As a veterinarian, I have used PaoVet extensively to treat feline leukemia & also AIDS in cats (FIV), 2 diseases that have affected almost 30% of the feline population in France.

Dr. Nicolas Baudin

I have always been able to observe a positive effect after a few days of use of PaoVet. [...]. As these are sometimes serious diseases, Pao cannot be the only therapeutic weapon, but in any case it is essential. This is my opinion after years of using Pao on dogs, cats and sometimes other types of pets.

Happy pet parents say

Michelle F.

JO, her Boxer

JO's health condition stabilized at first, then improved. Many thanks to you, Dr. Mirko Beljanski and to the wonderful veterinarian who treated our Boxer with PaoVet.

Odette N.

Pryska, her Yorkshire

For the last 8 years my veterinarian has treated my dog with Pao periera. A big thank you because against all odds, my dog is still alive thanks to the vet and his treatment methods. PaoVet worked.

Kevin. M

My golden retriever Jake seems to be healthier than ever! The doctors gave him 3-6mos at best. I couldn't have done it without your help and PaoVet!
