

Free

Named for its ease of use, unfortunately not its price, Free is outfitted with one of the smoothest functions on the market. With a flick of the wrist, a full-sized bed appears in seconds.

Flip Function

One of the smoothest sleeper functions on the market. Simply lift the front seat and with a flick of a wrist a bed is revealed. As with all of our functions, Flip provides superior sleeping comfort without compromising the seating comfort or seat structure.
